School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Facility Conditions and Planned Improvements

Some roofs, downspouts and gutters are in need of repair or replacement. Fascia throughout the campus needs to be repaired when exterior painting occurs. Carpets in most classrooms seem to be in fair shape, but will need replacement in the near future. Areas with VCT flooring are in fair shape, but this flooring is time consuming to properly maintain. With the exception of a handful of new units, HVAC systems throughout the campus are nearly 20 years old and are in need of replacement soon. Most system deficiencies are located in classrooms that will be demolished within the next two years. Playfields are in fair shape, need continued renovations to reduce trip hazards, bare areas, broad leaf and irrigation issues. Restrooms are in need of modernization to bring into compliance. Roofs are regularly inspected to reduce leaks and water damage.

Buildings are scheduled to be modernized within the next few years to address flooring, HVAC, fire alarm, clock bell paging and other systems throughout the campus.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: November 2020

Overall Rating	Fair	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

In a typical year, Ormondale School greatly benefits from its supportive parent community. Our school has a strong base of active volunteers who participate in classroom activities, chaperone field trips, assist with lunch and recess duty as well as a host of other opportunities through participation in our Parent Teacher Organization (PTO), as well as the Portola Valley Schools Foundation (PVSF). During the COVID-19 pandemic, our Parent Teacher Organization has found creative ways to support our teachers and students that does not involve direct interaction on campus. We have been appreciative of their efforts to continue building community among our families during this time of crisis. Parents and community members who wish to volunteer may contact the school office at (650) 851-1777.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	1.0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The safety of students and staff is a priority at Ormondale Elementary. The School Site Safety plan is reviewed and updated annually to ensure that we comply with emergency standards following San Mateo County's Big 5 Protocols. The annual review with staff occurs each year at the beginning of the school year. The school and district began intense ICS training last spring prior to the COVID-19 school closures and a district Safety Committee was established. Additionally, the principal and three staff members comprise the Ormondale Safety Committee and have received intensive training in the Big 5 Protocols at the San Mateo County Office of Education.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire drills are conducted monthly, disaster drills are conducted quarterly and lockdown drills are practiced twice a year. These drills are conducted in partnership with local emergency personnel.

Students are supervised before and after school and during recess and lunch breaks by certificated staff, classified staff, and the principal. A clearly designated "drop-off and pick-up" route has been developed and parents and care-givers are frequently reminded about how to navigate through in a safe manner. Under normal circumstances, it is the expectation that all visitors and volunteers first register in the school office to receive a Visitor Badge prior to beginning a volunteer shift or visiting a classroom or the campus in general. Signs indicating this requirement are posted throughout the campus.

As a result of the COVID-19 pandemic, our campus has been closed to the public during the school day. This means that we are not currently allowing parents to come on to the campus to volunteer. We have developed safety protocols that include consistent hand washing, sanitizing, and social distancing that are being followed by staff and students. We have staggered our schedule to allow for different start and end times for each grade level in order to limit the amount of traffic in the car line. We have also designated specific entry points for each grade level to limit the amount of foot traffic in each area of the campus. Students have their temperature scanned prior to entering their classroom and all staff members complete a daily health screening before coming onto campus. Recess and lunch times are staggered by grade levels in order to limit the number of children outside at any given time. The parent community has been supportive of our efforts to keep our staff and students healthy and safe in order to be able to continue offering in-person learning.

Types of Services Funded (Fiscal Year 2019-2020)

The Portola Valley School District is community funded (basic aid) and does not receive substantial Federal or State grant funding; however the District is fortunate to have strong support from the local community in funding locally defined grants via the Portola Valley Schools Foundation (PVSF) and the Portola Valley Parent Teacher Association (PTO). These grants support 21st century learning, visual, audio, and performing arts, student physical and mental health; additionally, they align with the Districts' LCAP goals, helping to cultivate a safe learning environment for students and staff.
