

**COMPARABILITY POLICY
(State and Federal Programs Administration)**

The Thompson School District operates many specially funded programs that must be administered in accordance with particular federal and/or state laws and regulations.

Accordingly, the Board of Education directs the superintendent to assign teachers, administrators and auxiliary personnel to the schools in such a way that equivalence of personnel is ensured among the schools.

The Board of Education also directs the superintendent to distribute curriculum materials and instructional supplies to the schools in such a way that equivalence of such materials is ensured among the schools.
