

CONSTRUCTION PROJECT RECORDS AND REPORTS

The project manager shall maintain adequate records in order to prepare the required project status reports for the Board. These records should track information related to time, costs and progress of the project.

Community Bond Review Committee

The Board may establish a Community Bond Review Committee consisting of members representative of characteristics of the Thompson School District and its patrons. The purpose of the Community Bond Review Committee is to provide ongoing, project-specific reviews of any existing or proposed school bond program and to make recommendations to the Board of Education regarding the potential addition, deletion, consolidation, or modification of projects in such a program. In addition, its purpose is to keep the public updated on the progress of and District compliance with such a bond program.
