Conduct at School Activities

The school district hosts or participates in many curricular and extracurricular activities attended by parents and the general public. These include, but are not limited to, interscholastic athletic contests, proms and other social events, dramatic or musical performances, field trips, fund raisers and meetings for parents, patrons and the public and are referred to herein as "events." The standards of behavior described above apply to all users, participants or observers of an event.

State and league rules require the principal or his/her designee to enforce this policy at any venue where the school's athletic teams are participating. This would include other school sites or events sponsored by CHSAA at public facilities.
