

## **STAFF LEGAL LEAVE**

The Board of Education recognizes the important role citizens play in our legal system, including the obligation to serve as jurors under appropriate circumstances and to appear in proceedings pursuant to subpoena or other court order.

All employees of the district shall be excused for jury duty or when ordered to appear in a proceeding pursuant to subpoena or other court order with no jeopardy to their employment, compensation, annual or other leave.

Substitutes, when necessary for employees, shall be obtained in the usual manner and paid by the district.

While state law provides that the district is only responsible for paying employees their regular wages up to \$50 per day for the first three days of jury service, the district believes it should support employees to the full extent of their regular wages while on jury service.

Pursuant to state law, after the first three days of jury service, the state pays each juror \$50 per day. Because employees will be receiving their regular wages from the district, which in most instances is more than \$50 per day, the district shall deduct \$50 per day from the employee's pay as an offset. If an employee's regular wages are less than \$50 per day, the district will supplement the employee's regular wages to bring the daily wage up to \$50.

The district shall not reimburse employees for expenses or mileage related to jury service. The employee may keep any reimbursement for expenses or mileage received from the state and continue to receive the full extent of his or her regular wages while on jury service.

The superintendent shall request that an employee be excused from jury duty service or the service delayed provided the special nature of the employee's qualifications would make it difficult to secure an adequate substitute or if the timing of the proposed jury service affords a threat to the welfare of the school or the students concerned.
