

## **College and Career Ready Demonstrations**

### **Capstone Review Process**

Capstones project assignments are embedded into the course curricula in the English 12 and Financial Algebra courses. They are not separate assignments for the student or the teacher/evaluator.

### **Industry Certificate Review Process**

Industry certificates will be reviewed on a yearly basis by the College and Career Readiness team. The Industry certificates will align with House Bill- 1289 of the Colorado State Senate. This bill is reviewed yearly with industry partners at the state level for industry alignment to content standards.
