

## **STUDENT FUND-RAISING ACTIVITIES**

The schools, including student bodies, shall not participate in general fund drives or solicitations unless authorized by the superintendent or designee. At the secondary level, students shall not solicit door-to-door for school purposes without prior approval of the superintendent or designee. At the elementary level, students shall not solicit door-to-door for school purposes.

No solicitation of merchants, suppliers or vendors may be made for materials, services or any other purpose without prior approval of the superintendent or designee. This statement is not intended to apply to the soliciting of advertisements for school publications, programs, calendars, etc.
