

# SUNRISE THOMPSON HEALTH CLINIC

A school-based health center for student wellness

**AMY BRODEUR**  
Nurse Practitioner

**NEW!**

The new **Sunrise Thompson Health Clinic** is a partnership between Sunrise Community Health and Thompson School District. The school-based student wellness center serves the students of Thompson School District and is located between Mary Blair Elementary and Conrad Ball Middle School in Loveland.

## Services:

- Physical exams and immunizations
- Acute illnesses or injuries
- Lab services
- Basic vision and hearing screenings
- Behavioral health and dental exams (coming soon)
- Help determining whether or not a student should go home due to illness

## How Does It Work?

A student can be seen at the clinic without a parent if:

- Student has a signed parental consent form
- Student is an established patient at Sunrise Community Health (within the last two years)
