**Introducing our new *regional*  
Work-Based Learning network - powered by Xello**  
Available to 9th-11th graders during 2021-22

Xello is a software tool that empowers students to create their own unique roadmap for future success and:

- Gain self-knowledge and develop a meaningful ICAP (Individual Career and Academic Plan)
- Explore careers and colleges in a personalized way
- Connect with local businesses and organizations to learn about careers and gain experience

Xello's Work-Based Learning network connects Organizations directly with students to take an active role in their career education and:

- Offer career coaching / expertise and answer questions
- Post WBL opportunities like job shadows, tours, internships, apprenticeships, and more!
- Communicate their current and future hiring and volunteer needs
