

Parent Bulletin Friday 16th June 2023

Dear Parents and Carers

It's been a hot week. I've relaxed the rules on blazers around school and we are keeping rooms as cool as we can. I am pleased to see more students now leaving their jumpers and coats at home. Please check on this and remind them not to be silly with water at school. Anything students use to mess about with water will be confiscated and not returned.

Next week the exams come to a close and many Year 11s finish today. They have worked really hard and conducted themselves very well. The results days in the summer are as follows:

- A level Results - Thursday 17th August at 08:30am
- GCSE Results - Thursday 24th August at 08:30am

If your child cannot collect their results and wants them emailed they need to email TAH@slougheton.com

Trips have continued this week with our Year 10 Geographers in Windsor on Tuesday and our Year 12 Food students at The Good Food Show in Birmingham today. We also had a future destinations conference for Year 12 yesterday which went well.

Have a good weekend.

Yours sincerely

Peter Collins
Headteacher
