

Points of Pride (2022-2023)

2022-23 accomplishments we are proud to celebrate, because of the impact on learning and teaching for each and every learner.

- Created a welcoming, safe, and inclusive environment for 141 new students to CRE during the 2022-2023 School Year.
- Teacher Professional Learning Communities (PLC's) focused on students making or exceeding grade level growth targets in Reading and Math.
- 100% of our top at-risk students received interventions and support services.
- 98% of families responding to a survey reported that they felt welcomed, our environment is a positive one and would recommend our school to a family or friend.
