

## **Advertising and Commercialism Policy**

Woods Charter School shall avoid exploiting students when advertising, promoting services, soliciting funds, and securing participation. Student pictures shall only be shared with the community when an appropriate release form has been submitted. Any promotions or sales within the school must be approved by the Principal or his designee and must be for the benefit of Woods Charter School or a group directly affiliated with the school.

**Date Adopted: August 14, 2008**
