Message from Mrs. Hanford...

Each Monday at our All School Assembly we are recognizing students for making positive choices at school by showing PRIDE. PRIDE stands for patience, respect, integrity, determination and excellence. We are encouraging students to show PRIDE in all areas of the building and while on the playground. We are also encouraging students to be great citizens in the community and on field trips. When asking your child about their day, one question to ask might be, "How did you show PRIDE today at school?" Last week we collected over 600 PRIDE tickets from students recognizing their positive behavior! We hope this number continues to grow each week!!

18 Parent/Teacher conferences 3:30 to 7:00 pm
19 Parent/Teacher conferences 3:30 to 7:00 pm
20 No School
21 No School
Attendance Line

Please remember to call, our attendance phone number, 970-613-6907, when your child will be absent from school. Please leave the reason for the absence and let us know if you would like a phone call back our nurse if you have any questions as to when your child can return.

Please add 970-613-6907 to your contacts in your phone. Please call the attendance line anytime your student will be late, is home sick, has a doctor appointment or will be out of school.

You may also email her at Giselle.garcia@tsd.org. Please email or drop doctors, dentist or orthodontist notes to Giselle so she can mark these absences medically excused. Please communicate with the teachers also if the student is going to be out for an extended period of time.

Giselle Garica will answer and she speaks both English and Spanish.

Doctor, Dentist and Orthodontist Notes

Please get a note from your Doctor, Dentist or Orthodontist and have your student give it to our Health Aide, Giselle Garcia. You can also email the note to Giselle @ Giselle.garcia@tsd.org When your student goes to a Doctor, Dentist or Orthodontist we can mark the absence medically excused and these absences then do not count against them. Please ask the receptionist at the office you go to for a note for the school and they know exactly what to give you.
Please Keep your Telephone Numbers Up to Date in Parent Portal

Please visit the Thompson School District website and click on parent resources. This will take you to a new page. Please click on Parent portal. This is where you can update your cell number, addresses, emergency contact numbers, etc. Please keep these up to date so we can get a hold of you at all times. You can also add and delete emergency contacts here and place them in a number order. This way we know who is the number one person to contact and make our way down the list of contacts.

If you have forgotten or do not know your login information please call Michelle at the front office and she can give your user name. You will need to click on reset password.

Celebrating Birthdays at School

The health and wellness guidelines for birthday's at school. We invite you to partner with us to support health and wellness. We are requesting non-food related celebrations to support the health and wellness focus of Truscott as well as the increased number of food allergies and special dietary needs.

Here are some non-food ideas: pencils, bookmarks, stick on tattoos, stickers, etc.

Mrs. Hanford announces all students' birthdays during our morning announcements at 8:10 am, so please don't be late on the day of your birthday and you will hear her wish you a happy birthday.
