

**VICTORIA**  
**ELEMENTARY**  
Eastern Carver County Schools

## Site Improvement Plan (2022-2023)

### Strategic Direction #1: Improving teaching and personalized learning for the development of each learner.

<b>How will we measure?</b>	Raise the number of students meeting state standards in Reading and Math by 2-6 percentage points.
<b>What are we doing?</b>	<ul style="list-style-type: none"><li>● Implement Reading Curriculum (Being a Reader K-2, Units of Study 3-5 along with Sonday Phonics).</li><li>● Implement instructional best practices integrating Math Expressions with fidelity.</li><li>● Provide best fit interventions to support academic growth.</li><li>● Progress monitor students throughout the year and adjust supports accordingly.</li><li>● Monitor BAS levels to track reading progress.</li></ul>
<b>What will you notice?</b>	<ul style="list-style-type: none"><li>● Increased confidence, proficiency and building-wide student achievement.</li></ul>

### Strategic Direction #2: Fostering a safe, welcoming, and inclusive environment

<b>How will we measure?</b>	Monitor progress of students' social, academic and emotional needs and how students, staff, and parents feel about their Victoria Elementary Experience.
<b>What are we doing?</b>	<ul style="list-style-type: none"><li>● Ensure a Morning Meeting experience to support social, academic and emotional growth and development.</li><li>● Increase staff involvement in decisions that impact their job.</li></ul>
<b>What will you notice?</b>	<ul style="list-style-type: none"><li>● Students experience staff that know them individually and support their unique gifts and talents.</li><li>● All stakeholders feel seen, heard, valued, and trusted.</li></ul>
