

## Chaska Middle School West

### Points of Pride (2022-2023)

**2022-23 accomplishments we are proud to celebrate, because of the impact on learning and teaching for each and every learner.**

- The percent of 8th grade students who met or exceeded state standards on the math MCA increased by 32.3%.
- The percent of 8th grade students who met or exceeded state standards on the reading MCA increased by 15%.
- 95.3% of parents surveyed agree with the statement: “My child is seen, heard, valued and trusted and respected for who they are and who they want to be,” on the 2022-23 district family survey.
