IV. PUBLIC COMMENT; (The Granite City Board of Education welcomes visitors – including employees, students, parents and other citizens – to its regular meetings. To accommodate the public, certain rules have been established. Any person wishing to give public comment(s) during a regular or special Board of Education meeting is encouraged to register with the Superintendent's Office prior to the meeting. Any person may comment to the School Board (public participation), subject to the reasonable constraints established and recorded in the guidelines below. During public participation, there will be a 20-minute minimum total length of time for any one subject. When public participation takes less time than these minimums, it shall end. To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President.
2. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to five minutes.
3. Observe, when necessary and appropriate, the Shortening of the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak;
4. Conduct oneself with respect and civility toward others. Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

The public should not expect a Board response during Public Comment. There may be discussion by the Board concerning Public Comment when the issue is addressed on the Agenda.
