

Staff YouthTruth Data

Comparing October to now

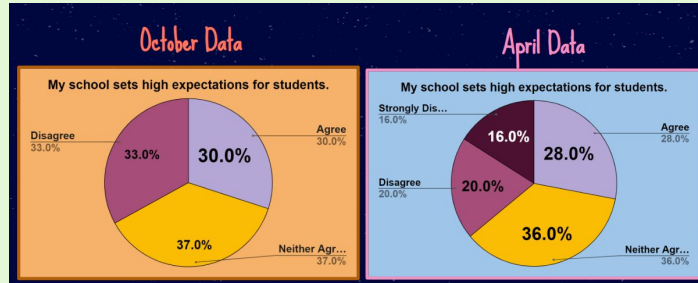

What are we presenting and why?

- We have completed a follow-up staff survey
- Sharing October Data in April is not very helpful
 - Because there is so much data and we want to be transparent, it takes a while to get all the information to you.
- Today, we are comparing October Data to March/April Data

About the data

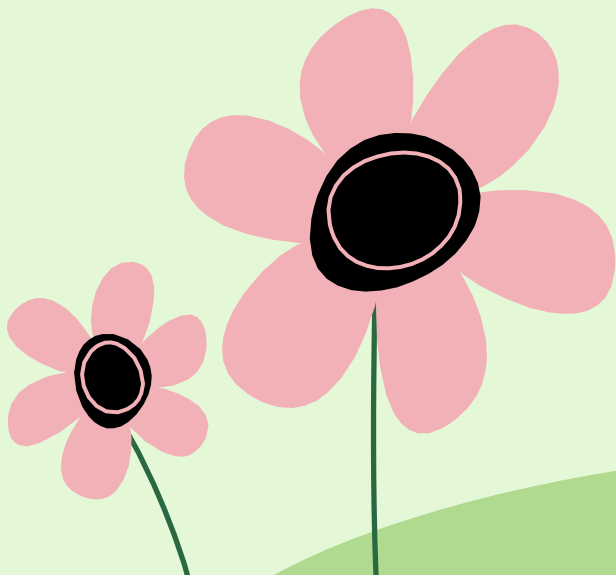

- Number of responses:
 - JES: 44 responses in October, 31 responses in March
 - JMS: 20 responses in October, 19 responses in March
 - JHS: 30 responses in October, 25 responses in March
- Follow-up survey was done in Google Forms, so today is formatted different than previous presentations.

- *Both the October FULL report and the March/April FULL report will be posted tonight*

About the Follow-Up Survey

- Admin worked with Leadership teams to narrow down the questions to 10-15 per building
- Some questions were re-worded or broken down to get a better idea of the need
- Survey was anonymous, like the YouthTruth survey

What I am highlighting TONIGHT

Because we don't want to be here all night :)

- Compare 5 questions per building
 - Pie charts instead of bar graphs (because we have 2 different data collection)
- Why we asked those questions and what this new data has sparked conversations among administration and staff

A stylized illustration of a garden scene. The background is a solid light green. At the top, there are three white, fluffy clouds. In the center, the text "THANK YOU FOR YOUR TIME!" is written in a bold, pink, sans-serif font. At the bottom, there are two green hills. On the left hill, there are two red flowers with yellow stamens. On the right hill, there are two blue flowers with black centers. Small green leaves are scattered around the base of the flowers.

**THANK YOU FOR
YOUR TIME!**
