	Window replacements in classrooms 6-9 and the classroom 5 in the adjoining wing	1,200 Maintenance Budget	COMPLETED
	Hot water heater and circulating pump to ensure rooms 6-9 have access to hot water	Maintenance Budget	COMPLETED
	Cabinet in bathroom made to comply with code and safety for SPED students	Maintenance Budget	COMPLETED
JHS	Gutter repair	Est. 1,500 - 5000 Maintenance Budget	IN PROGRESS GETTING BID
JES	ADA accessible soap in each bathroom; ADA accessible paper towels	Maintenance Budget	
2019 - 2020 September - June			
JHS	Siding and Roofing Repair	Est. 43-45,000	
JHS	Push button ADA door access to comply with law/code	Looking into	
JHS	Replace 500 gallon	4-6,000	

	water heater with 100 gallon natural gas; includes gas line installation	Inspector came and explained this is not up to code; needs immediate repair.	
JHS	Bathroom stalls to become ADA approved; bring up to code	Looking into	
JHS	Look at improving heating process to save district money and make heating the school effective. Currently we are spending 12,000 a month and it's not heating the school properly.	Looking into	
2020-2021 September - June			
JHS	Locker Rooms: Replace old lockers that no longer serve a purpose; Improve quality of space to support our teams	Unknown	
JES	Bring toilets to proper height according to ADA code/law	Unknown	

OTHER ITEMS TO BE INCLUDED AS MONIES BECOME AVAILABLE			
JHS Re-roof East and West Gym	Again, serious neglect over the years has caused damage to roof and leaks into interiors		
JHS Gym re-painting	We host many people in our gym each year. The gym hasn't been		

	<p>painted for 7-8 years. The bottom portion (cream color) really needs to be painted ASAP</p>		
<p>JHS Doors on bathroom stalls, if other stalls have doors we need to have doors on the ADA compliant stalls</p>	<p>We only have curtains on our handicapped restroom stalls. This does not provide security or necessary privacy for our students.</p>		
<p>Needs for District Maintenance</p>	<p>Toro Lawnmower 2700 D Kabota 4x4 tractor with front loader backhoe attachment; Underground sprinkler system for field 2; Develop six acres on Julia into fields</p>		
<p>Football Stadium</p>	<p>New scoreboard; New stands for community</p>		
<p>Track Resurface Stadium Repairs Scoreboard Maintenance Boundary fence Fields (land recovery and use plan)</p>			

Note: This plan was created in 2018. The intention is to place our top priorities in a plan so that we can include items in our budgets each year and look for grants to support our needs. We need to maintain our facilities to ensure the health and safety of our students and staff.

This plan is meant as a guide and a living document that can change or be updated regularly. It is not meant to be rigid.

Brad Capener, Superintendent
