Child Find Notice - Proportionate Share Meeting

The Individuals with Disabilities Act (IDEA) requires that the school system provide information to private school administrators regarding the provision of equitable special education services to parentally placed private school students with disabilities. Home-schooled children with disabilities are considered in the same category and are also eligible for services under this provision. Parentally-placed students with disabilities in private schools or home-schooled students are not entitled to a free appropriate public education (FAPE), but the district will provide services based on a proportionate share of federal funds.

To plan accordingly for the 2020-2021 school year, Worth County Schools would like to meet with representatives of private schools or home schools located in Worth County.
