What I am Learning...

This is the last month of the school year! To wrap up the year we will be learning about health and safety! As we move closer to the summer time we discuss water safety and sun safety. We take care of our bodies all year long but this time of the year is crucial to wear sunscreen and sunglasses to help our eyes. At the Preschool learning about safety is very important and we practice following the guidelines for sun and water safety everyday. Please stay tuned with your teachers as to what activities might be happening in your classrooms as we close out the year. Please have a safe and FUN summer! We will miss you all and can't wait to see you again next year!

!!Reminders!!

All payments are due by Friday May 12th for the remainder of the school year. For all our graduates please make sure to have your balance paid in full by May 12th. **Prior to the day of graduation, if you do not have a \$0 balance on your account your child will not be allowed to participate in the Graduation Ceremony.**
