Public Works

Public works refers to construction, alteration, demolition, installation, or repair work (including maintenance) done under contract and paid by public funds. Public works projects do not include those done by a public agency with its own employees.

With minor exceptions, all workers employed on public works projects must be paid the prevailing wage determined by the Director of the Department of Industrial Relations according to the type of work and location. The [prevailing wage rates](#) are usually based on rates specified in collective bargaining agreements.

The Director of DIR also makes coverage determinations, hears enforcement appeals, and oversees labor compliance programs, while the Labor Commissioner is responsible for all compliance monitoring, investigations, and enforcement.

Project Registration

Public Works under the Labor Code

Under the California Labor Code,

“[P]ublic works means: Construction, alteration, demolition, installation, or repair work done under contract and paid for in whole or in part out of public funds, . . .” (Section 1720(a)(1))

Public Works under the Labor Code

“Except for public works projects of one thousand dollars (\$1,000 or less, not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is performed...

“This section is applicable only to work performed under contract, and is not applicable to work carried out by a public agency with its own forces. This section is applicable to contracts let for **maintenance work.**” (Section 1771)

- - - -

The new registration program applies to all public works, as defined by the Labor Code

New Public Works Contractor Registration Law

- The Labor Commissioner's office will be responsible for registering contractors for public works
- Annual fees began on July 1, 2014, at the initial rate of \$300
- Registration good for fiscal year (through 6/30/15); renewed annually
- Contractors will need to meet minimum qualification standards

Public Works Contractor Requirements

In order to register with DLSE, contractors must:

- Certify or provide proof of workers compensation insurance
- Have no outstanding liabilities for wages, damages, interest, fines or penalties due to an employee or the state
- Good Standing: Cannot be under federal or state debarment from performing public works
- Have a valid Contractor's license if necessary for your trade
- After registration becomes mandatory (*next slide*) no bids or work without registration – for first violation in 12 month period may pay \$2000 penalty to register

Timing of the New Registration Law

July 1, 2014 – Registration and fees began

March 1, 2015 – Contractors must be registered in order to bid on public works projects

April 1, 2015 – Contractors must be registered to be awarded a public works project and to submit certified payroll records to the Labor Commissioner

January 1, 2016 -- All public works contractors must furnish certified payroll records (online) to the Labor Commissioner with some exceptions

Timing of the New Registration Law- ABs

June 20, 2014 – Awarding bodies must provide Notice to DIR on all projects (PWC-100)

January 1, 2015- All bid/contract documents must contain language found in Labor Code Section 1771.1(a)

•

Labor Code Section 1771.1(a)

A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

No Registered Contractors to display

What if a contractor fails to register?

- Ineligible to bid on public works (with exceptions for joint ventures and federally-funded projects if qualified at time of award)
- Ineligible to work on public works
- For first violation in 12-month period, may pay \$2000 to register if otherwise qualified
- For inadvertent lapsed renewal, 90 day grace period to pay double fee to re-register

Failure to register (continued)

- Right to appeal if registration denied or revoked [procedure still in development]
- Inadvertent listing of unregistered subcontractor on bid doesn't invalidate bid and may be cured
- Failure to register is grounds for substituting subcontractors
- Contract with unregistered contractor or subcontractor subject to cancellation but not void
- Where project bid as private work but later found to be public work, may register without penalty

PWC-100 Project Award Notice

- On-line Notice application used by Awarding Bodies to provide the Department of Industrial Relations (DIR) Notice of Public Works Projects at <https://www.dir.ca.gov/pwc100ext/>
- New Law: Awarding Bodies will be required to provide notice to DIR on all projects within five days of project award

Electronic Certified Payroll Uploads for Contractors

- On DIR website at <https://apps.dir.ca.gov/eCPR/DAS/altlogin>
- Contractors must upload on all new public works projects beginning April 1, 2015
- Contractors must upload on all public works projects, new or ongoing, beginning January 1, 2016
- Exceptions for projects monitored by:
 - DIR-approved legacy Labor Compliance Programs
 - Project Labor or Stabilization Agreements

Electronic Certified Payroll Records - Contractors

Welcome to the new online CMU Payroll Records Application.

- First time users will need to setup their account using the "First Time User button".
- You will need your Contractor ID (CSLB# or Professional #) to create an account.

The PWC 100 is an online notification system that requires public agencies to submit detailed public works project information (Awards) to the Department of Industrial Relations (DIR). Once the Award is in the system, Contractors will need to report their Certified Payroll Records.

Contractors will be able to upload Certified Payroll Records (CPRs) and Statements of Employer Payments (PW 26) through the eCPR application using PDF format. Prime contractors will be able to add their subcontractors to an Award so that subcontractors can upload their CPRs using the eCPR application. In order to upload CPRs and other payroll documents, contractors must be associated with one or more Awards.
