

Does your child have a disability?

Are you interested in knowing all the Pathways offered for Postsecondary Education and Employment?

If so, let us assist in discussing and planning Pathways because it is never too early to plan.

Who?

Qualified school and community staff working with students with disabilities

What services?

- * Person-centered planning for families
- * Agency connections and resources
- * District pathways information and individual plans
- * Enrollment with community support agencies
- * Employment training and opportunities

When?

Monday through Thursday from 9 a.m. to 4 p.m. (Zoom is also an option.)

How?

Email Rachel.Baker@fayette.kyschools.us to request an appointment

Where?

Life Skills Center at Tates Creek High School

Why?

To assist families in learning and preparing for all the college and career options as their student transitions to high school and graduation
