

Dear Parents and Campers,

We extend a warm “welcome” to our new camp families joining us for the first time this summer and to our returning campers and families. Summer Camps at Maclay started more than thirty years ago and has grown into a fun, full summer filled with a variety of academic, athletic, artistic, and just plain fun activities for all ages. We like to say it's more than a camp – it's an experience!

We are excited to have partnered with Minds in Motion. We have your child registered for **Electricity & Magnetmania beginning Monday June 26th, from 1:00 pm-4 pm.** Our Summer Camp team has spent the last several months preparing for an awesome summer for your camper. Please review the information below before the first day of camp.
