

Dear Parents and Campers,

We extend a warm “welcome” to our new camp families joining us for the first time this summer and to our returning campers and families. Summer Camps at Maclay started more than thirty years ago and has grown into a fun, full summer filled with a variety of academic, athletic, artistic, and just plain fun activities for all ages. We like to say it's more than a camp – it's an experience!

We are excited to have partnered with Minds in Motion. We have your child registered for **Agent992 Robot camp beginning Monday June 26th, from 9:00am-12pm.** Our Summer Camp team has spent the last several months preparing for an awesome summer for your camper. Please review the information below before the first day of camp.

Agent 992 Robot 9:00am-12:00pm, June 26-30

Build and take home your very own Agent992 Robot! This smart undercover robotics kit will entertain and teach infra-red capabilities to inquisitive minds. It consists of 140 assembly pieces and is equipped with an infrared radar so it can capture its surrounding conditions! A classified press-button switch instructs your *Agent992 Robot to transform into 3 investigative modes*: Forward mode, Gesture Control mode, and Auto Navigation mode. Forward mode executes basic forward direction where its eyes turn red. Use your hand's forward and backward motion to guide your robot when Gesture Control mode is activated, and its eyes turn blue. Compete with your classmates by designing obstacles or maze courses! *Agent992 Robot's* Auto Navigation Mode will set it on its secret mission as its eyes turn purple and automatically avoids obstacles on its own. This super cool robot is educational, entertaining, and fun!

Camp safety:

Maclay has a registered nurse on campus to help support the safety and wellness of our campers. All campers must sign a waiver, produce immunization records, and follow our safety protocols. Before arrival to camp each morning, please screen your child for presence of acute illness symptoms. Any camper with symptoms present will be asked to stay home until symptoms have resolved (without the use of medication) for at least 24 hours. As always, seek medical attention and testing when appropriate.

The following is a list of symptoms:

- Fever ≥ 100.0 or chills
- Nausea or vomiting
- Diarrhea
- Cough
- Congestion or runny nose*
- Shortness of breath or difficulty breathing*
- Fatigue
- Muscle or body aches
- Headache*
- New loss of taste or smell

** We understand some of these symptoms are present with chronic medical conditions (i.e., migraines, allergies, asthma, etc.) Please have medical conditions and diagnoses listed on camper's medical form prior to enrollment.*

Thank you for practicing and modeling good hand hygiene and staying home when sick.

Please communicate with the Health Center if you are keeping your child home for illness and/or injury related reasons so that we may discuss our return to camp guidelines related to specific diagnoses. For these discussions or any questions about our health and safety protocols please contact the Health Center at 850-893-5030 or healthcenter@maclay.org
