August 2023

Dear SMA Prep Cadets and Families,

My staff and I look forward to our cadets returning to campus each year. Coming back together after summer break is an exciting time when our school comes alive with the anticipation of new opportunities and a fresh start. We are incredibly proud of how our cadets and staff managed the challenges and changes of the previous year. As we all return to school, we look forward to strengthening the bonds that we formed last year and creating new connections within our SMA community.

Our Academy's leadership team has been fully immersed in planning for the upcoming school year. As we unite under our educational mission, we will continue the tradition of a student-centered, academic program that emphasizes 21st century skills needed to be a successful, life-long learner. Our commitment to nurturing our school community, based on the values of Honor, Integrity and Respect, remains unwavering.

Our athletic programs and clubs continue to grow in popularity and diversity. Activities and clubs such as Color Guard, Junior Raiders, Coding, Eco Club, Interact (service), Basketball, Volleyball, Lacrosse and Archery, are just a few of the offerings this year with new clubs added each year. It is thanks to our selfless faculty, staff, and the hard work of PTCC that we can offer such an array of programs.

SMA Prep's enrollment remains strong with just under 200 students per grade level. This is a testament to our belief in each cadet's potential to become an engaged and thriving member of a values-modeled school experience that holds them to a higher standard both in character and leadership.

SMA Prep is regarded as educational leader, providing one of the best school experiences in the area. We are honored to have you as part of this exciting educational journey.

Respectfully Yours,

SMA-COL Thomas Vara
Head of School, SMA Prep Campus

CADET EXPECTATIONS

Cadets are expected to uphold our core values of “Honor, Integrity and Respect” as well as wear their uniform correctly, both on and off campus.

EXPECTATIONS – CLASSROOM & CAMPUS

- Be prepared for class every day (including required headphones/earbuds, independent reading book, cadet planner, etc.)
- Take ownership of their learning, and check their progress in Gradebook weekly
- Keep hands & feet to self
- Treat adults and peers with respect
- Be in proper uniform and follow dress code at all times
- Use a pass or cadet planner, signed by a teacher, when outside of the classroom.
- Cadets will address teachers by rank and name, or Sir / Ma'am.

Cadets will NOT bring the following items to school (may be confiscated):

- Gum.
- Speakers of any kind to include Bluetooth, wireless, or USB capable; Smartwatches
- Spinners, fidgets, or other trendy gadgets
- Valuables or treasured belongings (SMA Prep is not responsible for lost or stolen items)
- Gifts or show+tell items (not preauthorized) such as balloons, stuffed animals, flowers, etc.
- Perfume or cologne, aerosol/spray deodorant (must be solid or roll-on)

GROUND RULES AND DISCIPLINE

Cadets work with their teachers to understand and define the boundaries of right and wrong consistent with the ground rules and procedures. SMA Prep facilitates and supports all cadets to successfully master 21st century skills of communication, social interactions, and self-management. Many discipline issues can be the result of cadets being unable to use these specific skills effectively and in a positive and productive manner.

The faculty and administration use interventions to help cadets understand how their behavior is negatively affecting themselves and/or others. This begins a process where focus is directed toward developing self-awareness and a growth mindset to improve skills in these important areas. Through reflection and discussion with faculty and/or administration, cadets have the opportunity to improve these skills and show progress.

If a cadet repeatedly breaks rules and is not responsive to SMA skill building suggestions or strategies, he or she may:

- Be removed from the classroom
- Be sent home for the day
- Serve a lunch/after school detention to allow for focused reflection on a plan of action

Other disciplinary actions may include Saturday school, in-school restriction, and out of school suspension, especially if a behavior presents a danger or serious concern to other cadets or faculty members. Bags and possessions may be searched by administrators or their designees upon reasonable suspicion of a prohibited item or illegally-possessed substance or object. Cadets may be searched on campus, school field trips, during extracurricular activities, school bus, or any other supervised activity. The contents of Cell Phones are also subject to search. Progressive disciplinary procedures, consistent with the Sarasota County Code of Student Conduct and Disciplinary Policy, will apply.

Dismissal Policy (Enrollment Rescinded)

A cadet may be dismissed from Sarasota Military Academy Prep for one or more of the following reasons as supported by the Sarasota Military Academy Charter, the Sarasota School Board Student and Family Handbook, the SMA Prep Cadet and Family School Handbook, and the SMA Prep Cadet and Parent Agreements:

- Failure of the cadet to follow school policies as stated in his/her signed cadet agreement.
- Failure of the parent(s)/guardian(s) to adhere to the signed parent/guardian agreement.
- Failure to follow all policies and rules as outlined in the Sarasota County Student and Family Handbook or SMA Prep Cadet and Family School Handbook.

Dismissal Procedure

The following information represents the school guidelines for cadet dismissal:

1. Concerns about the cadet will be communicated with Parent(s)/Guardian(s) through implementation of interventions and/or disciplinary actions. Interventions may include referral to a Counselor or ESE Liaison (as applicable). Other documented interventions may be provided through the School Wide Support Team (SWST) or administration.
2. Parent(s)/Guardian(s) will be notified if their child is not responding to interventions and a probation contract may be established for a set period of time along with a designated review date for improvement. Cadet may be monitored on weekly basis.
3. Parent(s)/Guardian(s) may request a meeting to discuss the terms of the probation contract in person with administration.
4. If the cadet does not satisfactorily complete the terms of the probation, parent(s)/guardian(s) will receive written notice of the dismissal, no less than 10 days prior to dismissal, including the reasons for the dismissal and the summary of actions.

Parent Appeal Process

The parent(s)/guardian(s) of a cadet who has had their enrollment rescinded (dismissal) may appeal to the Head of School, within 15 business days, with a formal request letter and appropriate supportive documentation. Failure to do so within 15 business days negates any possibility of appeal.

UNIFORM REGULATIONS / DRESS CODE

Sarasota Military Academy Prep is, as the name implies, an institution where military traditions and customs are an important part of the experience. Cadets are required to wear and care for the uniforms properly. The uniform will be worn in accordance with standards outlined in this handbook which are similar to those of the military and JROTC programs. When the uniform is worn, whether on or off campus, it will be worn completely and not mixed with clothing/shoes not outlined in this dress code or without **required** items such as belts, nametags, epaulets, etc.

Uniform inspections will be conducted in formation and at any time throughout the day. Cadets and parents must understand that this uniform represents SMA Prep's high standards and must be worn with proper respect. Cadets may not play sports or be involved in any work detail while in the SMA Prep Dress Uniform, nor may they engage in any conduct that would bring embarrassment or disgrace to the uniform or SMA Prep. Further, the uniform may not be worn to promote political causes or at partisan political organizations' events. Cadets may NOT wear SMA Uniforms while performing fundraising activities.

Uniforms are available for purchase from Children's World Uniform store. Visit the store on Bee Ridge Rd. or visit their website (www.childrensworlduniform.com) to check prices, sizes, and/or to place orders. Gently-used uniforms are available in limited sizes and quantities. Please call the office to make an appointment to purchase gently-used items. Spirit wear is available for purchase through the school.

Uniform Schedule

Monday: Camouflage Uniform only

Tuesday: Class 'B' Dress Uniform only

Wednesday: Class 'B' Dress Uniform only

Spirit Uniform . . . Continued

Spirit wear must coincide the weather dress (spirit sweatshirts may only be worn outside, on spirit days, when there is a cold weather day). Shorts and pants must rest at the natural waist of the cadet; no more than 2 inches below the navel. Trouser hems must be no more than 2 inches above the welt (heel) of the shoe. Shorts must not extend below the knee and must be hemmed no more than 4 inches above the top of the knee. Shorts and pants must have at least 1 inch of free play (without pulling) in the garment at the hips and legs. Shorts may NOT be rolled up.

The bottom button of the optional polo shirt must be buttoned, the top button unbuttoned. Only plain white (no writing of any kind on the t-shirt) undergarments may be worn under the shirt. The wear of an undershirt or camisole is optional. Undergarment sleeves may not extend beyond the uniform shirt. All shirts must be tucked in neatly at all times.

Shoes must match, be *TIED properly*, and may not be defaced in any way. Jewelry, makeup and nail polish standards *are the same as with the SMA Prep Dress Uniform*. (See jewelry, make up, and nail polish policy). Females may wear hair down with the spirit uniform.

PE Uniform:

- Light blue t-shirt (Children's World)
- Dark blue shorts (Children's World)
- Black socks (crew length/ mid-calf) from a store of your choice
- Any color sneakers with any color laces from shoe store of your choice
- Only the SMA Prep PE Uniforms are authorized for PE classes. The PE uniform may not be worn under other uniforms or as spirit wear.

Black Jacket (from Children's World)

The SMA Prep Jacket is the **ONLY** authorized jacket to be worn with any of the SMA Prep uniforms (dress, camo, polo/spirit, or PE uniforms). It is strongly recommended that jackets be embroidered with fist initial and last name (available at time of purchase from Children's World). It may only be worn outside, before formation and after the last bell or on designated "cold weather" days. It is authorized for wear inside the classrooms/buildings with the teacher's permission on any day.

- Jackets may only be worn zippered $\frac{3}{4}$ of the way up, with the sleeves down. The zipper must be at even with the SMA logo. Jackets may NOT be draped around the neck or tied around the waist. If the jacket is designated as unserviceable (worn, holes, tears) and does not display a neat appearance, the cadet will be required to replace it.

Jacket Days – Formation Only – Yellow Flag

A “Jacket Day” (yellow flag) is determined by administration using guidelines based on the temperature being below 65 degrees during formation, but not being cold enough to be designated as a “Cold-Weather Day”. During a Jacket Day, cadets may wear their SMA Prep jackets during formation only in accordance with appropriate wear guidelines.

Cold Weather Outerwear Policy for Designated Days – Red Flag

On days when the weather is predicted to be a “Cold-Weather Day” (approximately 50 degrees or below) (red flag), the Head of School or designee may implement the Cold-Weather Outerwear Policy giving cadets two options: 1) (preferred) Wear an additional layer (i.e. sweater with zipper, buttons, or snaps – no pullovers) under the SMA Prep Jacket, 2) Wear a conservative, plain black or dark colored coat or jacket as outerwear. Families are asked to do their best to provide conservative, plain black or dark colored coats/jackets when possible. Sweatshirts, hoodies, or other hooded jackets or sweaters are prohibited as the outermost layer on cold weather days. Cold-Weather Days apply to SMA Prep dress uniform, camo uniform, and spirit uniform. The following guidance is provided for Cold-Weather Days:

- Outerwear (coats/jackets) must be worn fully closed (buttoned, zipped, or snapped).
- Multiple coats/jackets (layering) are authorized to include rain coats. If layering with a sweatshirt, only the SMA Prep Jacket is allowed as the outermost layer. All hoods must be tucked into the jacket or outer layer.
- Outerwear (coats/jackets) are to be worn outside only.
- When the cadet enters a classroom, jackets are removed, the outerwear (coats/jackets) should be placed on the back of the cadet’s seat or in backpack. Only the SMA jacket/sweatshirt may be worn in class. Cadets are also authorized to wear hats, gloves, and scarves on designated cold-weather days during formation only.

Care and Maintenance of Uniforms

Standards to be met while in uniform include maintaining the uniform in a clean and serviceable condition. After initial purchase of all uniforms, it is the responsibility of the cadets/parents/guardians to properly maintain the uniforms. This includes laundering, alterations, dry cleaning, sewing on lost buttons, necessary mending, replacement of broken zippers, and repair of torn/loose hems. Uniforms deemed to be in disrepair must be replaced.

Lost/broken items:

- “Frogs” (pin clasps) and nametag backings are available at the front desk, the Eagles Nest (during lunch), Homeroom Teachers and Military Studies using “Eagle Points”
- Reorder at front desk: epaulets (\$9), crest (\$4), nametag (\$4), ribbon (\$1.50)

GROOMING STANDARDS

Hairstyles

Extreme, eccentric, or faddish haircuts/hairstyles are not authorized. If dyes, tints, or bleaches are used, they must result in a NATURAL hair color. Hair cannot be more than one color.

Male Haircut, Eyebrows, and Shaving

Male cadets must keep the hair on top neatly groomed with a TAPERED appearance.

Extreme, eccentric, or faddish haircuts/eyebrows or hairstyles are NOT authorized. Further, the hair must not touch the ears or the collar of the Dress Uniform shirt. In any case, the length cannot exceed 2 inches (or less if hair is thick). Also, inappropriate styles that result in shaved portions of the scalp (other than the neckline) or designs cut into the hair/eyebrows are prohibited. If hair is not within standards cadets may be prohibited from attending class, and fail uniform inspections until it is within standards.

Males will be clean-shaven; however, they may have sideburns. If worn, sideburns will not extend below the bottom of the ear opening, and they are NOT allowed to end in a “point”; they must end with a solid horizontal cut that is not angled. Sideburns will not be tapered or flared. The length of sideburn hairs when extended will not exceed 1/8 of an inch. Mustaches are permitted; if worn, males will keep mustaches neatly trimmed, tapered, and tidy. No portion of the mustache will cover the upper lip line or extend sideways beyond the corners of the mouth. Male fingernails may not extend past the tip of the finger.

Female Hair Standards

Many female hairstyles are acceptable, if they are neat and conservative. Extreme, eccentric, or trendy haircuts or hairstyles are not authorized. If cadets use dyes, tints or bleaches, they must choose those that result in natural hair colors (not two-tone styles.) Additionally, females will ensure that hair is neatly groomed, that the length and bulk of the hair are not excessive, and that the hair does not present a ragged, unkempt, or extreme appearance. Females may wear braids if the braided style is conservative, the braids lie closely on the head, and any hair-holding devices comply with the standards below. **If females fail to consistently wear their hair correctly throughout the day they may be required to wear their hair in a traditional bun.**

Examples of hairstyles considered to be faddish or exaggerated and therefore prohibited for wear with the SMA Prep uniform, include, but are not limited to, shaved portions of the scalp other than the neckline, designs cut in the hair, and unbalanced or LOPSIDED hairstyles are prohibited. Widely spaced individual hanging locks, and other extreme styles that protrude from the head are prohibited. Foreign material (beads and decorative items) may not be woven into the braids. “Twists” are unauthorized (except French Twists.) Hair extensions are authorized; however, they must have the same general appearance as the natural hair and conform to the above regulations.

Hair-holding devices are authorized only for securing the hair. Cadets will not place hair-holding devices in the hair for decorative purposes. All hair-holding devices must be plain and of a color as close to the cadet's hair as is possible or clear (e.g., a blonde may wear brown or clear hair-holding devices). Authorized devices include, but are not limited to, barrettes, combs, pins, clips, thin (1" or less) headbands, or elastic bands. Devices that are conspicuous, excessive, or decorative are prohibited. Some examples of prohibited devices include, but are not limited to, "scrunchies," beads, bows, claw-clips, wide headbands, and barrettes with butterflies, flowers, sparkles, gems, or scalloped edges or in colors not closely matching the hair.

For further explanation, the female hair standards are broken into three different categories:

a) Short length. Short hair is defined as hair length that extends no more than 1 inch from the scalp (excluding bangs). Hair may be no shorter than 1/4 inch from the scalp (unless due to medical condition or injury), but may be evenly tapered to the scalp within 2 inches of the hairline. Bangs, if worn, may not fall below the eyebrows, may not interfere with the wear of all headgear, must lie neatly against the head, and not be visible underneath the front of the headgear. The width of the bangs may extend to the hairline at the temple.

(b) Medium length. Medium hair is defined as hair length that does not extend beyond the lower edge of the collar (in all uniforms), and extends more than 1 inch from the scalp. Medium hair may fall naturally in uniform, and is not required to be secured. When worn loose, graduated hairstyles are acceptable, but the length, as measured from the end of the total hair length to the base of the collar, may not exceed 1 inch difference in length, from the front to the back. Layered hairstyles are also authorized, so long as each hair's length, as measured from the scalp to the hair's end, is generally the same length giving a tapered appearance. The regulations for the wear of bangs detailed in paragraph (a), above, apply. No portion of the bulk of the hair, as measured from the scalp, will exceed 2 inches.

(c) Long length. Long hair is defined as hair length that extends beyond the lower edge of the collar. Long hair will be neatly and inconspicuously fastened or pinned, except that bangs may be worn. The regulations for the wear of bangs detailed in paragraph (a), apply. No portion of the bulk of the hair, as measured from the scalp, will exceed 3 inches (except a bun, which may extend a MAXIMUM of 3 inches from the scalp) and be NO WIDER than the width of the head. Buns must be located on the back of the head so that the top of the bun does not protrude higher than the top of the head.

(d) Ponytail. If worn, hair will be neatly and inconspicuously fastened or secured in either a bun, single ponytail, two braids or a single braid. Multiple locks, braids, twists or cornrows may come together in one or two braids or a single ponytail. Braids and singular ponytails, must be centered on the back of the head at ear level, loose hair must be secured behind ear. Bangs may not fall below eyebrows. The maximum length for the wear of a ponytail or braid is the beltline. All other requirements regarding hair holding devices and bangs remain in effect.

Jewelry Standards

While in any uniform, females may wear post-type earrings in gold, silver, white pearl, or diamond. The earrings will not exceed 6mm or 1/4inch in diameter; they must be unadorned and spherical (round). The ONLY body piercings allowed for females are earrings which may only be worn in the lowest piercing in the ear lobe. No other earrings are authorized. Males may not wear earrings while in uniform. Face piercing of any type, tongue rings, belly rings, and ear gauges are strictly prohibited. **Cadets who get new piercings during the school year that are not in compliance with the uniform policy must remove them immediately; they cannot be covered up by Band-Aids, etc.** We suggest you get new piercings during the summer months, so they have time to heal and don't necessitate posts to keep them open.

Necklaces may only be worn for religious purposes, with a signed letter from parents on file with the school. If worn necklaces may not be visible in any uniform and the chain is no larger than 1/8". No bracelets are allowed while in uniform.

Both males and females may wear a wrist watch and one ring per hand: These must be conservative and not detract from the appearance of the uniform (no large or colorful rings and watches – you may only wear black, gold, or silver watches, or military in appearance, that are not oversized or ornate).

Cosmetic and Nail Polish Standards

Tattoos and Henna designs may not be visible while on campus and in uniform. Cadets are not to write or draw on their skin.

Females Nail Polish: The only types of nail polish that are authorized are clear and natural color (nail bed tone) nail polish. French tips are authorized, however the tip must be white only. Nails are to be rounded, neatly trimmed and not to extend beyond a ¼ inch from the end of the nail bed, if wearing french tips the white tip may not exceed ¼ inch.

Female Makeup: Makeup may be worn if it is conservative and complement the uniform and complexion. Eccentric, exaggerated, or trendy cosmetic styles and colors are prohibited. Some examples of extreme makeup colors include, but are not limited to, purple, gold, silver, blue, black, white, red, camouflage colors, fluorescent colors, glitter and painted designs. False eyelashes are prohibited.

Males: Clear nail polish may be worn however, makeup is prohibited.

Backpacks - Handbags, backpacks, and book bags will be conservative and professional in appearance. Advertising, cartoons, or other commercial designs are not authorized. Cadets are not authorized to write on their backpacks.

Water Bottles - Water Bottles must be clear, colorless, and no squeeze top. Water is the only drink cadets are allowed to have on campus during the school day.

Masks - Face masks may be worn with parental permission on file with the school. Cadets with mask permissions must wear them correctly at all times. Masks must be solid black or navy blue in color. Disposable masks that are light blue or masks sold by SMA are also authorized. This policy may change based on CDC/health department recommendations.

Eyewear – Eyewear, including sunglasses, that is trendy or has lenses or frames with conspicuous initials, designs, or other adornments is not authorized. Cadets will not attach chains or ribbons to their eyewear. Glasses may not be worn on top of the head at any time. Sunglasses are not authorized in formation, without a prescription.

Hats - Hats, berets, or other headgear are NOT authorized for wear with any uniform at SMA Prep EXCEPT for specially designated programs, such as the SMA Prep Drill Team.

SPECIAL DRESS DAYS

There will be occasions when students will be allowed to dress up, dress down, or wear special clothing for a dance or other event. Please keep in mind that SMA continues to have high standards for appearance, even when not wearing a uniform. All clothing must be tasteful and appropriate. Cadets not dressed in accordance with guidelines may be sent to the office or ISR until the parent brings appropriate clothing.

- Clothing may not be ripped, torn, or have holes**, except when part of a special costume.
- No skin-tight clothing**, with the exception of leggings, which may ONLY be worn with a dress, skirt, or shorts.
- No inappropriate writing or signs** on clothing, such as anything pertaining to drugs, alcohol, profanity, nudity, or anything controversial or suggestive.
- Pants, shorts, and skirts must sit at the waist.
- Skirts, dresses, & shorts may not be higher than 4 inches above knee and must be hemmed.
- No pajamas, slippers, hats, flannel, or baggy pants.
- If wearing a hoodie, the hood must remain down and is not to cover the head.
- No spaghetti straps, muscle shirts, tube tops, or tank tops.
- Shoulders and back must be covered.
- No midriffs or cleavage showing.
- The same jewelry and make-up standards apply as with wear of the uniform.
- Male cadets must be clean shaven.
- Shoes must be closed toe with heels no greater than 2". (No slides or crocs)

BULLYING, CYBERBULLYING, AND HARASSMENT

It is our policy that cadets and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. SMA Prep will not tolerate bullying and harassment of any type. Conduct that constitutes bullying and harassment, as defined below, is prohibited.

Bullying includes cyberbullying and means systematically and chronically inflicting physical hurt or psychological distress on one or more cadets or employees. It is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by a student or adult, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve but is not limited to:

1. Teasing
2. Social Exclusion
3. Threat
4. Intimidation
5. Stalking
6. Physical violence
7. Theft
8. Sexual, religious, or racial harassment
9. Public or private humiliation
10. Destruction of property

Cyberbullying means bullying through the use of technology or any electronic communication, which includes, but is not limited to, any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including, but not limited to, electronic mail, Internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person, or the knowing impersonation of another person as the author of posted content or messages, if the creation or impersonation creates any of the conditions enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons, if the distribution or posting creates any of the conditions enumerated in the definition of bullying.

Harassment means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student or school employee that:

1. Places a student or school employee in reasonable fear of harm to his or her person or damage to his or her property;
2. Has the effect of substantially interfering with a student's educational performance, opportunities, or benefits; or
3. Has the effect of substantially disrupting the orderly operation of a school.

Bullying and harassment also encompasses:

1. Retaliation against a student or school employee by another student or school employee for asserting or alleging an act of bullying or harassment. Reporting an act of bullying or harassment that is not made in good faith is considered retaliation.
2. Perpetuation of conduct listed in the definition of bullying or harassment by an individual or group with intent to demean, dehumanize, embarrass, or cause emotional or physical harm to a student or school employee by:
 - a. Incitement or coercion
 - b. Accessing or knowingly and willingly causing or providing access to data or computer software through a computer, computer system, or computer network within the scope of the district school system
 - c. Acting in a manner that has an effect similar to the effect of bullying or harassment

Cyberstalking as defined in s. 784.048(1)(d), F.S., means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Reporting an act of bullying or harassment: Any student, staff, volunteer, or parent/legal guardian may file a report in person with the assistant head of school or designated representative, via email to the assistant head of school or designated representative, or through the anonymous online form available through the SMA website. Once the report has been received, the assistant head of school or designated representative will begin an investigation.

Prevention: SMA Prep shall work to sustain a healthy, positive, and safe learning environment for all cadets. It is important to create the social climate of the school and the social norms with regards to bullying. This requires the efforts of everyone in the school environment – teachers, administrators, support staff, school nurses, other non-teaching staff (such as bus drivers, custodians, receptionists, and/or assistants), parents/legal guardians, and cadets.

ATTENDANCE

Cadets are expected to attend school each of the 180 regular school days and to be punctual. We suggest that cadets arrive *at least* 10 minutes before the beginning of the school day. Classrooms open at 9:00 AM and formation begins at 9:04 AM. We want cadets ready to learn as soon as school begins and not have to worry about the distractions of being late. Cadets may arrive as early as 8:30 AM at no cost. See information on the website about our Before-School Program for earlier drop-off options. Cadets should not be dropped off and left unattended outside of the fenced-in school grounds or in the parking lots.

Attendance is taken each morning and at the beginning of each period. SMA Prep will keep a record of cadet attendance and parents/guardians may view it daily online.

Florida Statute 1003.24 states that the parents/legal guardians of a child of compulsory age are responsible for the child's daily school attendance. School staff, parents, cadets and appropriate state agencies are expected to work together to ensure that all applicable school attendance laws are obeyed, including but not limited to, referral to the state designated agency for possible court action for truancy.

Excused Absences:

If you know your child will be absent, you are required to call **before 9 AM** to leave a message on our attendance system (ext.3500). You must also send in a note upon your child's return.

Absences that number 9 or fewer each semester will be excused **after** a parent/guardian sends in a note or excusal form, within 3 days of a cadet's return. More than 9 absences in one semester will be excused only after review and approval of administration.

It is the cadet's responsibility to complete any work missed during excused absences within the limits established by each educator. Additionally, educators may not be able to provide make-up lessons for those missed due to absences. Parents may be expected to assist or provide tutoring for their child to ensure understanding of missed work during absences.

Excused absences include:

Written note **MUST** be provided **within 3 days** of a cadet's return to school.

- Cadet illness: documented by the parent/guardian or medical doctor
- Observance of a religious holiday or service that is recognized as such by members of the faith. Must be documented by parent/guardian
- Medical/Dental appointment with a doctor's note
- Death in the family or funeral as excused by the Administration
- Other absences beyond the control of the parent or cadet, as determined and approved by the Administration
- Leaving class early with written permission from parent/guardian, or administrator, during the first 25 minutes of class
- Special and unique situations or pre-arranged absences pre-approved by the Administration
- Out-of-School Suspensions

Excuse Notes:

- For an excuse note to be acceptable, it must have the following components written clearly: Cadet's first and last name, date(s) of absence, time of arrival and/or departure (if cadet was late or left early), reason for absence (or late arrival/early dismissal), and parent/guardian signature. Without all of these elements, a written note will not excuse an absence.
- An Attendance Clearance Form will be issued once an excusable note is provided to the Attendance Office.
- Failure to provide Attendance Office with excuse note will result in an unexcused absence on the report card.
- Out-of-school, short-term absences (3 days or less) that are prearranged must be approved in writing by Administration at least 3 days prior to absence and coordinated with the teachers. The attendance office must be notified of these planned absences in writing at least 3 days prior to absence.
- Prolonged absences (5 days) that occur for medical reasons must be documented by a physician.

Unexcused Absences:

Over nine (9) excused absences per semester for illness OR eighteen (18) for illness in a school year is considered excessive. Once a cadet's absences for illness are excessive without information on file, administration may require a doctor's statement for further absences to be excused.

All absences which have not been specifically identified as excused are considered unexcused absences to include:

- skipping class
- absences beyond 9 days each semester that are not excused by administration
- Absence or tardy due to oversleeping
 - Absence or tardy due to transportation problems, etc. (late school bus arrival not included).
 - Failure to properly provide an acceptable reason for absences (or late arrival/early dismissal) from school **within three (3) days** after cadet returns to school (or late arrival/early dismissal occurs).
- Tardy to class more than 25 minutes after class begins. This can be converted into an excused absence with a note from parent/guardian.

Tardiness:

Any cadet not in formation at 9:04 AM is tardy. A parent or attending adult **must sign in their cadet at the front office after 9:00 AM**. For your child's safety, if late, **do not** drop off and leave the school without signing in your child. Cadets will be issued a late slip as unexcused without a valid excuse note. Anytime a cadet is **not in class** when the bell rings, he/she is considered tardy. Excessive tardiness to class may result in administrative disciplinary action.

Early Dismissal:

Cadets must be signed out at the office at least **15 minutes prior** to the end of school (4:15 PM). Please keep this in mind when scheduling medical and dental appointments. Cadets who leave school early due to illness must be cleared through the clinic. A written excuse must be provided by the parent/guardian excusing the early departure and any subsequent missed days upon cadet's return to school.

Extended Absences:

Families should not plan vacations or trips during attendance days. Extended absences should be reviewed with administration at least **3 weeks in advance** to be considered for excusal.

Truancy:

Truancy is defined as being absent from school without parent/guardian permission or knowledge and without permission from school officials. Any cadet who has 10 unexcused absences, excluding suspensions, within 90 calendar days, with or without the knowledge or justifiable consent of the cadet's parent or legal guardian, is considered to be a habitual truant.

When a cadet shows a pattern of late arrivals, early dismissals, or absences, a conference will be required with the head of school or assistant head of school to consider the implementation of a plan of action to correct the situation. A consistent pattern occurring throughout the school year may, at the school's discretion, result in the cadet: 1) receiving disciplinary action; 2) the county truant officer being contacted to investigate; or 3) being dismissed from SMA Prep and returned to district school.

BEFORE SCHOOL PROGRAM

Before-School Program

SMA Prep offers a safe and affordable option for parents to drop off their children before school each day. Our goal is to support families who need options earlier than the regular 8:30 AM drop-off start time by providing a learning environment at school for their children to complete homework or engage in other activities as early as 7 AM. Breakfast is available (for purchase or through the free/reduced program) at 8:30 AM.

Hours: 7:00 – 8:30 AM, Monday through Friday, excluding school holidays and days off. Drop-off is at the school cafeteria and requires an adult sign-in.

SPORTS & CLUBS – BEFORE & AFTER SCHOOL

SMA Prep offers a wide variety of clubs, sports, and other extracurricular activities both before and after school. Most programs require registration and an activity fee which must be paid within three days of being accepted into the sport, club, or activity. Information about the variety of sports, clubs, and activities is available on the school website, calendar, and through weekly announcements and newsletters.

BUS TRANSPORTATION

SMA Prep uses our own buses and contracts with the school district to provide bus transportation to and from school, field trips, or special activities. School bus transportation is a privilege, not a right. This privilege can be denied for unacceptable bus behavior. Parents/guardians have the responsibility for the control and direction of cadets at the bus stop. All cadets have responsibilities regarding their behavior on the school bus and at the bus stop. Cadets must reside within Sarasota County in order to use free bus transportation. Special routes may be provided at a reasonable cost for those living outside of Sarasota County. Schedules are posted to our website shortly before the start of the school year.

STUDENT BUS SAFETY

At the School Bus Stop:

- Arrive at your bus stop at least five minutes before the bus is scheduled to arrive.
- Follow instructions from your bus driver or the school district about where to wait.
- Wait in a safe place away from the road.
- Do not run and play while waiting for the bus to arrive.
- Never sit or stand on the roadway while waiting for your bus.
- Never speak to strangers at the bus stop and never get into a car with a stranger. Tell your parents, your bus driver, or another responsible adult right away if a stranger tries to talk to you or pick you up.

Loading or Unloading from the Bus:

- As the bus is approaching, watch for the red flashing lights and the stop arm to extend.
- When the bus stops, wait for the driver's signal that it is safe to cross the road or board the bus.
- If crossing the street, look left, right, and left again. When the driver signals that it is safe, walk at least 12 feet in front of the bus where the driver can see you.
- Never walk behind the school bus. Never run after the bus.
- Hold the handrail while going up and down the stairs.
- Go directly to your bus seat and remain seated during the entire ride.
- Exit the bus only at your assigned bus stop.
- If you drop something near the bus, tell the bus driver. Never try to pick it up first, because the driver may not be able to see you.

On the School Bus:

- Keep your hands, arms, and head inside the bus.
- Always buckle up properly if your school bus has safety belts.
- Stay in your seat and obey the driver.
- Remain seated always and keep the aisle clear.
- Stop talking and stay quiet when the bus comes to a railroad crossing so the driver can hear if a train is approaching.
- Avoid any loud or disruptive behavior that could distract the driver from safely operating the bus. Playing music or sound from a phone or device requires headphones/earbuds.
- Be courteous and respectful to your driver. Safely getting you to and from school is a tremendous responsibility that the driver takes very seriously.

PICK-UP AND DROP-OFF PROCEDURES

Morning Drop-Off:

Please be sure you arrive early enough to be ready for uniform inspection in formation at 9:05 AM. Cadets who are not present for uniform inspection will be marked tardy. Cadets may not enter the formation once the regiment is called to attention. A supervised waiting area is provided at no cost for cadets arriving between 8:30 - 9:00 AM. Cadets dropped off before 8:30 AM must report through the cafeteria to the Before-School Program; fees may apply. Cadets participating in before-school activities may arrive up to 15 minutes prior to the start of the activity at no cost for before-school care. Cadets arriving earlier than 15 minutes before their activity start time will be charged the daily rate for our before-school program.

Cadets may NOT be dropped off to wait in the parking lot or outside of school grounds without parent or adult supervision. Cadets found waiting, without an adult, prior to 8:30 AM, will be sent to the Before-School Program; fees apply.

Afternoon Pick-Up:

Dismissal begins at 4:15 PM and continues until all cadets have departed either by bus or family vehicle. Parents or approved adults must use designated car line procedures at dismissal times. Exceptions to this procedure must be requested in writing and approved by administration. This includes requests for office pick up due to special circumstances and for requests to have cadets walk or ride a bike to or from the school without an adult. A pick-up card and instructions will be distributed at the beginning of each school year. Parents of cadets who have not been picked up by 4:30 PM or by the end of car line, whichever occurs last, or who have not been registered in an after-school activity, will be charged a **late pick-up fee of \$5 per 5 minute increment** until an adult on their approved pick-up list arrives. Late pick-up fees also apply to sports, clubs, and activities with designated pick up times.

FIELD TRIPS & SPECIAL ACTIVITIES

Attending field trips is a way to help students learn through an experience outside of the school campus. Field trips, along with special activities on campus, include interactions with people outside of the school system, and customized activities that require the student to be prepared and ready to focus over an extended period of time in order to benefit from the learning experience. To provide a safe and high quality learning opportunity for all involved, SMA Prep has set high expectations and specific criteria for behavior both prior and during such activities and trips. Final field trip participation is at the discretion of administration.

Academic, Attendance, and Behavior Criteria:

Within the *semester* when the field trip occurs, cadets *must not have*:

- more than 2 detentions
- more than 1 day in-school suspension
- any out-of-school suspensions
- 9 or more unexcused absences

Within the *quarter* when the field trip occurs, cadet *must have*:

- Mastery level of 6 or higher on current assignments, quarter grade for all classes, and/or at admin's discretion

Expectations for Audience Skills & Other 21st Century Skills Needed:

- Actively listen while speaker is presenting
- Raise hand and/or wait to be acknowledged to speak
- Show same respect and behavior as expected in the classroom
- Follow directions and participate positively in activities

LOST & FOUND

SMA Prep is not responsible for lost or stolen items. Do not bring valuables to school. Lost and found is located at the front desk. Any item not claimed within 2 weeks may be repurposed or thrown away. (Be sure to label uniforms, jackets, and personal belongings).

PARENTS & VOLUNTEERS

Parents or other visitors must sign in and wear a visitor's badge in the main office. A valid driver's license or government picture ID is required.

Volunteers must apply and be approved through the new Raptor visitor/volunteer management system. Potential volunteers may sign up in the main office at SMA Prep or the convenience of your home. Returning volunteers must reactivate their account at the beginning of each school year.

Level 1 National Criminal and Sexual Offender Check - This screening is automatically prompted upon applying to volunteer. Individuals desiring volunteer assignments in school system facilities must provide social security numbers and other personal information required to perform background screenings including but not limited to a national sexual offender check. Those who do not pass the background screening will receive written notification from the school district Safety and Security Department.

Level 2 National Criminal Background Screening - Volunteers who work with students in an unsupervised (out of sight or hearing of supervising staff) school-based setting and volunteer chaperones on all overnight field trips and some daytime field trips are required to pass a Level 2 national criminal background screening (fingerprints for criminal background check) in addition to being registered in the school district volunteer database and approved through the district School Safety and Security Department. The school staff will inform you for which daytime field trips Level 2 is required. Please contact the district's Safety and Security Department to make arrangements for Level 2 screening.

CELL PHONES AND ELECTRONICS

SMA Prep does not allow cadets to have in their possession during the school day: cell phones, iPods, speakers, smartwatches, cameras, thumb (USB) drives, or ANY other electronic or media storage device. Cadets are strongly discouraged from bringing any of these devices to school. However, if a student must have a cell phone or other device for use before and/or after school, they are prohibited from using it once they arrive on campus or before they depart.

Cadets who bring a cell phone, electronic, or media storage device to school must store it in their backpack or book bag. SMA Prep is not responsible for any lost, stolen, or broken cell phones, electronic/media devices, or other valuables brought from home.

Cadets who have cell phones or other electronic devices in their personal possession (outside of their backpack) and/or turned on while on campus without prior special permission from an educator or administrator, will have the item(s) confiscated and held until a parent can sign and collect from the assistant head of school or designated personnel. Depending on the circumstances of the situation, cadets may be subject to additional disciplinary action.

Although we value and encourage the use of technology to support learning in our programs, we find that cell phones and other personal electronic devices in the possession of cadets are disruptive to the learning environment unless incorporated for use within a specific program or assignment. Cadets who have these devices in their possession are often tempted to use them at some point during the school day for purposes unrelated to learning which poses numerous potential disruptions. Use of cell phones, cameras, and texting devices has been linked to increased safety violations, cheating, invasion of privacy, bullying, and other security issues. Additionally, the time and energy it takes away from educators and staff to monitor these situations is detrimental to the achievement of our educational goals.

SUPPLIES

A list of necessary supplies is available at the beginning of the school year. Teachers may also provide a wish list for their classrooms, and we greatly appreciate all families that are able to contribute extra supplies or donate funds. Cadets are responsible for the cost of replacing lost or damaged workbooks, textbooks, library books, folders, planners, or other supplies.

- Lost or damaged cadet planners must be replaced through the front office (\$5).
- Planners (agenda books) may not be shared; writing on the cover is prohibited

Headphones/Earbuds/Independent Reading Books: In good working order are mandatory supplies for students to have with them every day in order to be prepared for class. Failure to do so may result in an infraction.

EMERGENCY PROCEDURES

Working toward a safe and orderly school environment requires the awareness and practice of various emergency drills, including lockdowns and fire drills. All staff and cadets are instructed on the guidelines and procedures of how to respond to the drills in a safe and orderly manner.

EMERGENCY CONTACTS & CLINIC PROCEDURES

Emergency information cards are kept on file in the clinic for each cadet. It is important that parents/guardians complete a new card at the beginning of each year, and update the information ANYTIME CONTACT OR MEDICAL INFORMATION CHANGES during the year. Emergency care plans are attached to the cards when indicated.

If a cadet becomes ill at school, he/she reports to the clinic, **with a pass or cadet planner signed by a teacher** (cadets may not “stop in” between classes), where the clinic aide or nurse on duty will determine the degree of illness. The cadet may rest in the clinic for up to 20 minutes at which time the cadet either returns to class or a parent/guardian is called to take the cadet home. If a parent/guardian comes to school to pick up a sick cadet, the parent or guardian should sign in at the office and report to the clinic to sign the cadet out for the day.

When a serious illness or injury occurs, the parent/guardian will be notified at once. All head injuries will be reported to the parent/guardian regardless of the degree of severity since symptoms may not be obvious at once. In an emergency, 911 will be called. First aid and/or CPR will be administered if appropriate while waiting for the EMTs. **It is imperative that we have the correct contact and medical information on each cadet. Please be sure that the Emergency Cards are completed and kept up to date.**

No medications of any kind (including cold, aspirin, or vitamin products) can be administered at school unless there is a doctor's authorization for the treatment on file. Medications with appropriate authorization must be administered by clinic personnel. Cadets may **NOT** carry any type of medications with them. Please do not supply your child with vitamin drinks, energy drinks, cough drops, or supplements at school.

PARENTAL RIGHTS & CUSTODY

The school follows Florida law regarding parental rights unless custody documentation exists that has been issued by a Florida court of law. In Florida, natural parents have equal rights unless a current, signed custodial agreement says otherwise. Florida law supersedes the laws of any other country or state regarding custodial rights. It is solely the responsibility of the parent to give us copies of all documentation regarding custody arrangements for your child. It is the school's responsibility to remain neutral in custody issues. In the event of a disagreement, only parents or legal guardians will be allowed to pick up children from school.

LUNCH & BREAKFAST PROGRAM

School lunch and breakfast are available through the Sarasota County Schools Food and Nutrition Services Department. Meals comply with National School Lunch Program guidelines. A daily menu is available at <https://sarasotacountyschools.nutrislice.com/menu/sma-prep> or using the *Nutrislice* app available on Apple Store or Google Play.

You may pay into your child's account by sending money with your child to school or through an online program called *MySchoolBucks.com*. Money is collected daily at lunch by the Food and Nutrition Services cashier. You may also pre-pay with cash or a check.

Please send money in a well-sealed envelope with your child's FIRST AND LAST NAME, PIN #, and TOTAL AMOUNT included. Checks are to be made payable to TATUM RIDGE ELEMENTARY SCHOOL (the school authorized to provide meals to SMA Prep). Write your child's name and PIN # in the memo area of the check as well. If you have more than one child at the school, please designate how the money or check should be divided.

You will be notified when your child's account is running low. Please make sure your child's account is current. We cannot serve children who do not have sufficient funds to pay for their lunch unless they qualify for the Free and Reduced meal program. Parents and/or guardians are responsible to apply for Free and Reduced meal benefits, and are responsible for all charges until eligibility is determined.

Free and Reduced meal benefits must be applied for annually. Apply online at www.sarasotacountyschools.net under the Food and Nutrition Services Department section.

Bringing Lunch:

If your child prefers to pack a lunch, please help him or her choose healthy foods with proteins and complex carbohydrates (fast food is discouraged). Students are not permitted to bring soda, vitamin drinks, energy drinks, tea, coffee, caffeinated drinks, or gum to school. Cadets found with these items may be asked to throw items away and may receive an infraction.

- We encourage cadets to bring water to drink daily. Water must be in a clear water bottle or drinking container. Water is the only drink cadets are allowed to have on campus outside of the lunch room during the school day.
- Parent/guardian lunch dates with students are not an option on the SMA Prep campus.
- A reservation is required to bring in cupcakes/treats for birthdays and must be prearranged with the front desk at least 3 days in advance. Cupcakes/treats will be allowed at cadet's reserved table during lunchtime. Gifts, balloons, teddy bears, etc. are NOT allowed.

COUNSELING SERVICES

School Counseling at SMA PREP is a comprehensive (available to all students) developmental (age appropriate) program designed to ensure that today's students become productive, well-adjusted adults of tomorrow. The program is proactive and preventative in nature with a focus on social/emotional development based on a growth mindset approach toward academic achievement, career awareness for all our students.

Our Mission is to promote compassionate, caring, lifelong learners. The school counselor works together with all stakeholders to create an atmosphere in which individuals become responsible and successful members of their community and the world. The counseling program is driven by data and helps students acquire the knowledge and skills necessary to become global leaders in our ever-changing world.

SPECIAL & GIFTED EDUCATION

As a small charter school, we offer a range of special education services to include speech and language, ESE, and ESOL services. SMA Prep does not provide programs that require a self-contained classroom setting. All cadets spend more than 80% of their day in a regular education classroom. The IEP or EP of each cadet is designed with this in mind. If it is determined that a cadet requires more intensive services than SMA Prep can offer, the cadet will be referred to his or her district school or another appropriate placement as determined by the cadet's IEP.

Meeting the gifted child's needs is fundamental to our program. Advanced classes are offered as well as Alg. 1, Geometry, and Spanish 1 with EOC exam for high school credit.

ACADEMIC HONESTY

"Academic Honesty" means performing all academic work without plagiarism, cheating, lying, tampering, stealing, giving or receiving unauthorized assistance from any other person, or using any source of information that is not common knowledge without properly acknowledging the source. SMA Prep explicitly teaches and enforces the citing of sources with all types of media.

Plagiarism is defined as the representation, intentionally or unwittingly, of the ideas, words or work of another person without proper, clear and explicit acknowledgment. Evidence of plagiarism may result in a referral to administration.

TECHNOLOGY & NETWORK – APPROPRIATE USE

Cadets at SMA Prep are responsible at all times for using the computers and electronic information services in an appropriate manner. Unacceptable use of computers and electronic information services includes, but are not limited to:

- Sending Electronic email which harms or injures the reputation of others
- Using network access to alter or destroy information belonging to others
- Profanity, obscenity, or other language which may be offensive to another user
- Copying or forwarding personal communications to others with malicious intent
- Copying software or other copyright protected material in violation of copyright law
- Using school computers or network for any illegal activity or for any private business purposes
- Spreading computer "viruses" deliberately, or by importing files from unknown sources
- Using any computer or program in a manner other than that which was intended
- **Using another cadet's or person's username and password**
- Using another person's image as a profile picture or publishing without permission.
- Viewing, storage, or disbursement of pornographic material
- "Hacking" or gaining unauthorized access to district supported computer systems.

SMA Prep has the right to review the contents of any and all email, and all other files created or stored on school or district equipment. Users are therefore put on notice that they have no expectation of privacy when using school computer equipment or network services.

It is the expectation that all users of the technology and network communication system demonstrate common politeness, respect and courtesy.

If any user violates any of these provisions, his or her access to electronic information services may be terminated. Willful violations will lead to disciplinary action, and if a criminal offense is committed, the user will be prosecuted per Florida Statute 815.04.

Adapted from guidelines established by the School Board of Sarasota County.

Internet & Technology – Safe-Use Guidelines

In addition to the technology and network guidelines, cadets agree to use the Internet and email for **educational** purposes only.

I agree to use the school's computers, network, Internet access, and other technology resources in a safe and appropriate manner:

1. Before posting anything online, I will ask myself whether I would share this information at an all-school assembly. (Once you post something online, it is there for everyone to see and download for their use.)

2. I will be polite to everyone I contact online and respect other people's views even if I don't agree with them.
3. I will not share my passwords with ANYONE other than my parents—not even my friends.
4. I will not share personal information i.e. email, phone number or location without parent/educator approval
5. I will never meet someone face-to-face who I met online or friend strangers (not everyone online is who they say they are)
6. I will not forward any photos or images that contain nudity or that are inappropriate memes or representations of myself or others.
7. If I receive a message from someone that makes me feel upset or worried, I will show it to my parents or an educator.
8. I will think before I text or post because my words and images can impact my reputation and can damage my future success.
9. I will conduct myself online the way I would conduct myself in the off-line world. If I would not be comfortable saying something directly to someone's face, I will not say it over email or by text.
10. The Internet is a wonderful place to find information and connect with people and friends. I will do my best to surf safely and remember the three Cs: 1) avoid **Contact** with strangers, 2) **Consider** the content of my message, and 3) **Conduct** myself responsibly online.

I agree to follow the guidelines so as to be a responsible, safe, and effective Internet/online user at all times, not just at school. **I understand that I am responsible for my account and all activity within my account.** I understand that if I violate the rules, my account can be terminated and I may face other disciplinary measures.

Google Workspace for Education

SMA Prep provides teachers and cadets with a suite of tools for collaboration by Google using the **ourSMA.org** domain. Using Google Workspace for Education, the Academy is able to communicate and connect through applications accessible online through any device with an internet connection. Cadets and teachers are provided a school email under the **ourSMA.org** domain. Gmail is a user friendly email tool serving as the core application for this program. Other apps, including Google Classroom, Drive, Sites, Calendar, Docs, Sheets, Slides and more, provide the flexibility to share and collaborate with the ourSMA.org online community.

Clever

Clever allows cadets and teachers with an ourSMA Gmail account access to all of SMA's online programs and applications through a single, sign-on portal. Once logged into their ourSMA Gmail account, cadets will access **Clever** at: **clever.com/in/sma** Cadets will then be able to access their school account and apps from any device connected to the internet.

RECORDING & REPORTING PROGRESS, ASSESSMENTS, AND GRADES

How do I access Gradebook?

Go to parentportal.sarasotacountyschools.net to register. Parents/Guardians set up their own accounts. Cadets will have separate accounts to be set up during the first week of school. The cadet's N# (Student ID #) is required to create an account.

Parents/guardians can sign up for notifications to receive automatic emails for missing work and weekly assignment reports. Go to "settings" in the portal to sign up as seen below.

The screenshot shows a form titled "PARENT NOTIFICATION". It contains the following options:

- I choose to have the report card delivered only in the Portal (No paper copy): Yes No
- Inform me by email when my child: Is Absent or Tardy Misses an Assignment
- Email me weekly reports for: Attendance Assignments

What do the numbers in Gradebook mean?

A **Mastery Learning Grade Scale** is used to supports learning as a process and promote growth overtime.

Level of Progress Indicators	Level of Progress Descriptors
9 - 10	MASTERY: The student demonstrates excellent or outstanding performance in relation to expected learning outcomes.
8	PROFICIENT: The student demonstrates substantial performance in relation to expected learning outcomes.
7	DEVELOPING: The student demonstrates adequate performance in relation to expected learning outcomes.
5-6	NOVICE: The student demonstrates limited or no indication for performance in relation to expected learning outcomes.

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORT (PBIS)

SMA Prep’s school-wide framework for supporting student positive behavior is through a system that promotes working together to achieve a safe environment for everyone. Our overall goal is to implement practices that support students’ behavioral, social, emotional, and academic growth. This multi-systems of support begins with explicit expectations for teaching, learning, and behavior that many consider the structure of our program. Essential to this process are developing and mastering the skills needed for success. Additionally, we focus on building connections with our students and families to establish a foundation for encouraging and acknowledging expected behavior in all settings.

Leadership and Responsibility

Our unique military model provides a structure for teaching and reinforcing the values and principles of being a highly effective leader and citizen. The core values of honor, integrity, and respect are fundamental in leadership development and incorporated in every aspect of cadet learning.

Service and Community

As cadets develop key skills for success, they quickly learn the importance of working together and giving back to their community. SMA Prep provides opportunities through leadership development for cadets to model service learning as a part of rank promotion.
