

Peaster ISD
3602 Harwell Lake Road
Peaster, TX

June 18, 2023

Dear Greyhound Families,

As you are aware, schools across the state administered STAAR assessments in April and May. Due to state law, the test was redesigned and administered online for the 2022-2023 school year for all students. Due to the STAAR redesign, student results will be **delayed** this year. While districts are scheduled to receive raw scores this month, the scores will not have assigned **performance levels** indicating if a student met passing standards. Therefore, PISD cannot share individual STAAR results until the State releases final performance levels.

STAAR results that provide the **student performance levels** are scheduled to be released to districts by May 31st for students who took an End Of Course exam and on August 11th for students who took STAAR tests in grades 3-8. Peaster ISD will notify parents when the performance levels are posted in the State Family Portal.

House Bill 4545 is currently being considered for revisions in the 88th Texas Legislature. Any changes to the impacts on accelerated instruction for students through HB 4545 will be communicated accordingly.

Peaster ISD is committed to our students and families. Should you have any questions, please contact your campus administration.

Sincerely,

Kendra Pittman, Ed. D.
Superintendent, Peaster ISD
