

Huffman ISD Profile of an Educator

Passionate

Educators exhibit a strong ambition to effectively educate all students.

Caring

Educators work with students in an empathetic, understanding way and take a genuine interest in each child's individual needs.

Competent & Knowledgeable

Educators possess deep knowledge and understanding of their subject matter/grade level content, seek ongoing relevant professional development opportunities, and utilize research-based best practices in instructional delivery.

Dedicated

Educators meet all instructional and professional expectations of the district and go above and beyond minimum expectations to ensure that student learning needs are met.

Effective Communicator

Educators convey ideas and information in a positive and effective way with all stakeholders, including students, parents, and colleagues.

Team Player

Educators collaborate and work collectively with all stakeholders.

Engaged

Educators commit to building relationships with students, faculty, parents, and the community.

Motivator

Educators incite students to reach their full potential inside and outside the classroom.

Models Ethical Behavior & Professionalism

Educators display a high standard of morality, confidentiality, and professionalism in their personal and professional lives and maintain a professional appearance while performing district duties.

Perseverance

Educators model and demonstrate the ability to overcome challenges through self-motivation and personal fortitude.

Technologically Competent

Educators possess and utilize technology skills to enhance instruction and communication in a way that benefits all members of the learning community.
