

★ Welcome to 3rd Grade! ★

August 2023

Dear Third Grader,

Hi! My name is MS. Sproch and I am thrilled to be your third grade teacher this year! I hope you had a wonderful summer and are getting ready for an exciting year in our classroom! It is going to be a fun year filled with lots of learning and new adventures. I am looking forward to hearing all about the fun you've been having with your friends and family!

I have been busy planning many new experiences and opportunities to guide you to grow and learn this year. I am confident we will be able to tackle the challenges of third grade together and have a successful year!

Please look at the list of school supplies that are needed to prepare you for your third grade year. If you have already purchased supplies through Ox Ridge they will be delivered to our class and ready for you on the first day of school. If you are purchasing these on your own, please bring these items with you on the first day of school.

Enjoy these last few days of summer and I will see you very soon! I cannot wait to meet you and learn more about you! For starters, ***before the first day of school***, please email me a photo of one of your favorite summer moments to ssproch@darienps.org and add a caption to describe what is happening in the photo. We are going to have an amazing year! Welcome to the ★★SPROCHSTARS★★

Yours truly,

MS. Sproch
