

Notice Of Privacy Practices

This notice describes how medical information about your child may be used and how you may gain access to this information. Your signature of the consent form attached recognizes that you have received NM Smiles Privacy Practices and HIPPA compliance.

Privacy Practices

It is important to NM Smiles that your child's privacy is protected. This policy explains what information we may collect, how it will be used, and how it is protected.

Collection of Information

Collection of information is necessary in order for us to provide dental services for your child. This information is not made public and is used only for the purpose of providing services.

Confidentiality

All information about your child remains confidential, except what is permitted by law, such as to Medicaid or other authorized parties with direct relation to dental treatment or to comply with applicable laws and regulations.

Protection of Information

We restrict the use of non-public information except to employees directly involved in your child's care and processing of their care. We comply with federal regulations and guidelines to physically and electronically protect this information.

Disclosure

This notice is for information only and we reserve the right to amend it at any time. You may request a complete Notice of Privacy Practices by calling or emailing NM Smiles and one shall be mailed to you.
