Work
with
us!

Harding Independence Charter District serving 5th grade to 12th grade students an open access district with a mission to educational opportunities that will prepare demographics of our school communities and of with us. The small size of our schools allows our teachers to develop mentoring relationships with students. Our administration welcomes the perspective and feedback of teachers. HICD teachers are collaborative, knowledgeable, and experienced. Responsibilities include developing engaging and high-quality lessons, providing students with timely and helpful feedback, and investing in the academic growth of our students. Ultimately, we are searching for teachers who will inspire a fundamental love of learning in our students.

is a small public charter school district in the Oklahoma City metro area. We are provide our students with high-quality them for college. We are proud of the diverse the academic growth that our students achieve with students. Our administration welcomes the perspective and feedback of teachers. HICD teachers are collaborative, knowledgeable, and experienced. Responsibilities include developing engaging and high-quality lessons, providing students with timely and helpful feedback, and investing in the academic growth of our students. Ultimately, we are searching for teachers who will inspire a fundamental love of learning in our students.
