

Budget Overview for Parents (BOP)

Local Control Funding Formula (LCFF)

Temple City Unified School District

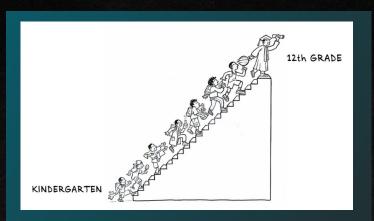

Local Control Funding Formula (LCFF)

LCFF simplified the state of California funding for Local Educational Agencies (LEAs) and is based on specific considerations:

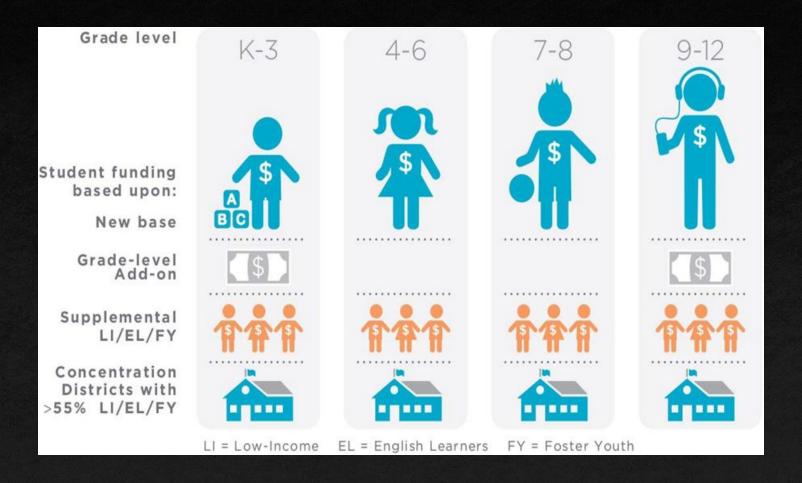

- Equity, LCFF works to address funding inequities across the state of California through three main sources of funding Base, Supplemental, and Concentration
- LEAs receive funds for Unduplicated Students which are students with greater educational needs, defined as:
 - Low-income Socio-economic disadvantaged students
 - English Learners
 - Foster Youth
- Local decision-making and partnership involvement
- Accountability
- Transparency
- Alignment of budgeting with accountability plans

Local Control Funding Formula (LCFF)

Base Funding: Under the state of California's Local Control Funding Formula, the District receives base funding on a per-student funding level.

Local Control Funding Formula (LCFF)

District.

Base Grant

Base Funding:

Under the state of California's Local Control Funding Formula, the District receives base funding on a per-student funding level.

Supplemental Grant

Supplemental Funding: Recognizing that students who are in foster care, English Learners, and/or low-income face unique barriers, the State has identified these three target student groups in order to allocate supplemental funding based on enrollment in the

Concentration Grant

Concentration Funding:

The State also allocates concentration funding to districts with over 55% enrollment of students in one or more of these three student groups.
