

Uniform Ordering Information 2023-2024

LAS school uniforms are now ready! Please place your order as soon as possible to ensure delivery in time for orientation in August.

Dear Families,

LAS students must dress in the school uniform during the academic day (see [Student Handbook](#) section 2.201). Families can purchase LAS-approved clothing through the [Unique Uniforms website](#).

Students should have at least three sets of uniforms to meet the dress code expectations during the week. The dress code consists of:

- Polo shirt
- Zipped cardigan or sweater
- Black pants or skirt or shorts (skorts are also available, while supplies last)

The pants do not need to be purchased from Unique Uniforms, and students can wear their own pants as long as they are solid black zippered/pocketed pants, not athletic (including leggings, tights, or sweatpants), have no writing or graphics, and are without tears or rips.

Items listed in the “Mandatory Uniform Collection” and “Merchandise Collection” on the [Unique Uniforms website](#) are within the LAS dress code for the academic day.

Items in the “Athletic Wear” section are optional, but may later be required for PE classes or athletic teams. Families do not need to purchase these items at this time.

There are no changes to the LAS uniform from last year, so returning students need only to order replacement or additional items for the 2023-2024 school year.

Items purchased and shipped to LAS (for a shipping charge of CHF 10) will be available for pick-up at New Student Orientation in August. Representatives from Unique Uniforms will be on site at that time to assist with exchanges of sizes and items. Please refer to the [return and exchange policy](#). You can also buy, return or exchange uniform items directly at the school shop throughout the school year.

The LAS school shipping address can be found below:

Leysin American School
Chemin de La Source 3
1854 Leysin Switzerland

We kindly ask families to order the uniforms as soon as possible.
