GRAND FORKS
Foundation for Education
& Alumni Network

Annual **REPORT** *2022*

Hello, Friends of the Foundation!

We are excited to share another year of making a difference across Grand Forks Public Schools. Because you gave, we were able to award grants, give scholarships graduating seniors and to our students in need, stock the shelves of our Giving Tree Pantry, operate the Little Red Reading Bus our library on wheels, and so much more!

The Grand Forks Foundation for Education and Alumni Network would be unable to do this without you, our donors. YOU make a difference for so many! We hope you will consider contributing to support our public schools.

Wishing you and yours all the best as we enter the holiday season!

Sincerely,

Emilia Hodgson
Executive Director

Five to be Inducted into Grand Forks Public Schools Teachers Hall of Fame

Five outstanding educators were selected for induction into the 2022 Grand Forks Public Schools Teachers Hall of Fame. The induction ceremony and reception was held at 1 p.m. on October 2 at the Red River High School Theater, with a dessert reception following to celebrate.

Ron Bergh – Bergh grew up in Grand Forks and is a product of the Grand Forks Public Schools. Bergh is a proud Army Veteran, serving in Vietnam and being honorably discharged in March of 1972. After completing his active service, Bergh began teaching biology at Grand Forks Public Schools, his first year at South Middle School, and the remainder of his teaching career at Grand Forks Central High School, retiring in 2006. "Ron made a huge impact on many students over those 34 years. He was both patient and caring, he was a student favorite!"

Jerome Gunderson – Gunderson grew up enjoying math and science classes, ultimately attending Moorhead State University and earning a bachelor's degree in technical education and a minor in chemistry education. Gunderson was a longtime CTE teacher across the school system, including stops at Eloy Schroeder Middle School, and Grand Forks Central and Red River high schools. Gunderson was also the career and technical education director at Grand Forks Public Schools for a number of years, and was honored with several firsts, including the first building trades house project in Grand Forks.

"He leads by example and is still a great resource for help and advice today. He hired me as an IT Teacher and really mentored me and taught me many lessons about teaching, learning, and just how to be a good person and friend."

Audrey Kasprowicz – Kasprowicz grew up knowing she wanted to become a teacher. In elementary school, she would help other students with their class work. Kasprowicz graduated from the University of North Dakota with a degree in home economics and a minor in retail marketing but continued to broaden her education at every opportunity throughout her entire career. Kasprowicz was a longtime resource education teacher at Grand Forks Central High School and was chosen in 2019 by the North Dakota Association for Career and Technical

Education as the recipient of their Lifetime Achievement Award. "Ms. K was patient, compassionate, genuine, and an advocate for our at-risk youth. Her passion for helping students find their career paths, along with mentoring and guiding teachers, really has made a difference in the lives of hundreds."

Gwen Lappeggaard – Lappeggaard began her teaching career as a substitute teacher while raising her children before being hired to teach full-time. She began her career with Grand Forks Public Schools by teaching elementary classes at Nathan Twining Elementary and Middle School before ultimately moving to teach English at South Middle School prior to her retirement. “She always went above and beyond for her students. She truly is the best teacher I’ve ever had. I had a lot of excellent teachers in Grand Forks, but she made the biggest impact on my life. I will never forget her.”

Connie Sherwood – Sherwood grew up attending Grand Forks Public Schools, participating in band, choir, and theatre. She ultimately followed in the footsteps of her grandfather, father, and brother, all music educators within Grand Forks Public Schools, and became a longtime music educator at Lake Agassiz Elementary and South Middle School. You would be hard-pressed to find a high school theatre production in the past three decades that wasn’t positively influenced by Sherwood’s talents. “Connie had an amazing eye for identifying and developing the innate musical and artistic

talents in her students. With her creative direction and encouraging support, each student believed they were the star performer by giving their personal best.”

The Teachers Hall of Fame was created in 1995 by the Grand Forks Foundation for Education and Alumni Network as a means to publicly thank and recognize outstanding and memorable retired educators who have made an impact on students. The Hall of Fame also is a means to honor the teaching profession as a whole for its vital role in shaping the future of individuals and society.

To be eligible for the Teachers Hall of Fame, teachers must have been retired from Grand Forks Public Schools at least one year; they may have been former elementary or secondary classroom teachers, administrators, counselors, or librarians.

Inductees are selected every other year by the Alumni Network Advisory Committee.

“Her passion for helping students find their career paths really has made a difference.”

“She always went above and beyond for her students.”

“He was both patient and caring.”

“Each student believed they were the star performer.”

“He leads by example.”

MINI *Grants* FALL 2021

Elementary School

\$314 - Susie Lancaster, Viking Elementary

For her "A Soft Way to Begin the Day" project, providing multiple STEM tools to help students to make connections, communicate, and be creative as they start the day. Examples include legos, magnetic strips, snap circuits, and more.

\$386 - Katie Wood, Century Elementary

For her "The Spot (SEL Curriculum for Primary Grades)" grant, to purchase "On The Spot" social emotional learning books for K-2. Themes include; courage, perseverance, teamwork, kindness, responsibility, patience, and much more.

\$579 - Jessie Pieper, Ben Franklin Elementary

For her "Sensory Learning in Early Childhood Special Education" project. These funds will be used to purchase a number of sensory and tactile tools to be used in her early special education classroom.

\$655 - Amy DeWitt, Century Elementary

For her "Equitable Instruments" grant to purchase an additional xylophone, to help provide students the most engaging experience possible during music class.

\$773 - Cassie Riewer, Wilder Elementary

For her "Making the Most of Mentor Texts" grant, to help purchase additional mentor texts at all grade levels across the school. These texts are not included in district curriculum but are referenced in teacher lesson guides.

Middle School

\$241 - Brooke VanLooy, South Middle

For her "Hands-On Foreign Language Materials" grant to purchase multiple games in Spanish, German, French, and Latin. Games touch on the social, Cognitive, physical, and emotional domains of development.

\$285 - Josey Chow, Valley Middle

For her "8th Grade Math Algebra Tiles" project, a set of Algebra Tiles that will help students visualize the concepts and grow their understanding of more abstract equations and formulas.

\$700 - Kat Puhl, Valley Middle

For her "Higher-Level Texts for Advanced Readers" grant to purchase higher leveled titles to be used in 8th grade literature circles.

\$721 - Justin Johnson, Schroeder Middle

For his "Getting Flexible with Classroom Seating" grant to purchase standing desks and wobble chairs for his social studies classroom. These will help students that have strong urges to move increase their focus.

\$1,000 - Nick Pederson, Valley Middle

For his "School-Wide Travelling Manga Resources" project to purchase a number of popular "Manga" titles that can be shared across the school.

\$1,095 - Ann Herbeck, South Middle

For her "Connecting Creativity Using Strawbees" grant to purchase a Strawbees construction set, to be used in tandem with her Micro Bits, to provide her science classes an opportunity to explore the engineering process.

High School

\$737 - Emily Kulas, Red River High

For her "Let's Get Graphic! Tackling Complex Issues with Graphic Novels" grant. These funds will be used to purchase a variety of graphic novel titles for Library Media Center.

\$1,300 - Maren Dewar, Central High

For her "Purple Rhymes with Orange Student Workshop" project to provide her theater students with an opportunity to perform an original, multi-cultural production with North Dakota Artist, Patrick Kasper.

\$1,420 - Sheri Sletten, Red River High

For her "TI-84 Python Graphing Calculator" project to purchase 10 Python Graphing Calculators for her enriched algebra classroom. These calculators will introduce students to more STEM opportunities, including programming.

\$2,305 - Lindsay Fugleberg, Red River High

For her "Biology Microscopes" grant to purchase six microscopes to be used by all science classes for a variety of experiences, including analyzing various types of cells and tissues in living organisms.

Middle/High School

\$782 - Marilyn Iverson, STEP Program (Student Transitional Education Program)

For her "Alternative and Equitable Literacy" grant. These funds will be used to purchase books to fill a "mini library" onsite, providing students with access to various-leveled pieces of literature.

\$800 - LoRia Novak, Valley Middle, and Eileen Zygarlickie, Community High

For their "Literacy Beyond the Classroom" project. These funds will be used to purchase copies of Jason Reynold's book, Long Way Down. Students at both schools will engage in a book study, meeting via Google Hangouts for discussion. It will provide them with the opportunity to interact, listen, and learn from one another.

MINI Grants SPRING 2022

Elementary School

\$210 - Nadine Raymond, Lake Agassiz Elementary

For her "Yoga in the Classroom" project, to purchase a set of yoga mats for her classroom.

\$573 - Tracy Whalen, Lake Agassiz Elementary

For her "Exploring Space" project, to purchase various non-fiction books exploring space for the Lake Agassiz Library.

\$950 - Megan Schmitz, Discovery Elementary

For her "More for Core - Building Communication in our Youngest Learners" project, to purchase a various vocab materials for her early childhood special education students.

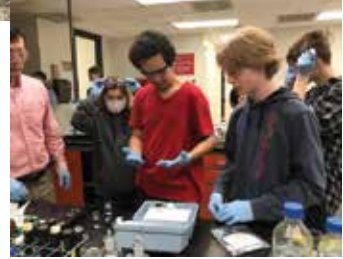

Middle School

\$75 - Josey Chow, Valley Middle

For her "Exploring Ag Engineering STEM" field trip. Students will visit the lab of UND professor Feng Xiao to test fertilizer and for an introduction to agricultural engineering.

\$710 - Deb Boucher, Schroeder Middle

For her "Immersed in Tech in a Hands on Classroom" project, to purchase a classroom iPad and accessories to be used as interactive tools in her math classroom.

High School

\$494 - Andrea Maus, Central High

For her "Novels in Verse for Reluctant Readers" grant. These funds will be used to purchase a variety of novels in verse to entice reluctant readers to engage in the Library Media Center.

\$848 - Mary Drumm, Central High

For her "Rome & Juliet Graphic Novel" grant to purchase a classroom set of graphic novels of the classic William Shakespeare's "The Tragedy of Romeo and Juliet."

\$1,345 - Kati Larson, Central High

For her "Wheel Thrown Pottery" grant to purchase an additional pottery wheel to be used by several art classes.

\$2,040 - Leslie Martin, Red River High

For her "UAS/Drone Equipment" grant to purchase five drone sets with iPods for aviation students to explore drone flying and racing, an emerging sport in high school and at the college level.

Impact Grants

\$4,533 - Michelle Spicer, Schroeder Middle

For her "Sound Systems for Allied Classrooms" project. These funds will be used to purchase three Redcat Sound Systems. These will have an immediate impact on the student learning experience in these music, innovations, and world language classrooms.

\$5,000 - Kevin Ohnstad, Phoenix Elementary

For his "Phoenix Elementary Playground" project. These funds will be used support the Phoenix Elementary Playground construction.

\$5,000 - Travis Thorvilson, Winship Elementary

For his "Winship Elementary Playground" project. These funds will be used support the Winship Elementary Playground construction.

\$18,290 - Sarah Harlow, Central High

For her "GFC Drumline Revival" project. These funds will be used to replace worn and broken instruments that are over 20 years old. These include carriers, snare drums, tenor drums, bass drums, and cymbals.

With the help of the Grand Forks Foundation for Education Mini-Grant that we were awarded in the spring, Red River High School Library Media Center was able to continue work on our project, Let's Get Graphic! Tackling Complex Issues with Graphic Novels. We were able to order fifty dynamic and diverse titles to add to our collection that wouldn't have been possible without grant funding. This list of titles was submitted with our grant proposal.

Due to shipping delays, supply chain issues, and processing and cataloging time, it took us longer than expected to receive all of our titles, but they are now all on the shelf for our students to enjoy during the 2022-2023 school year and beyond. Students have been excited about the new titles that were brought into our collection and this is reflected in our circulation records. Graphic novels consistently fly off the shelves and have a high turnover rate. Students who didn't consider themselves graphic novel fans are also drawn to the high quality nonfiction titles that contain topics of interest to them.

When I first arrived at Red River, the graphic novel collection was limited to three small bookshelves. With the influx of titles we have received, we moved the graphic novel titles to larger bookshelves that encompass an entire side. There is much room for growth and we have begun to add series signage and front-face many titles, which draws student attention to these titles.

At the time that I wrote the grant, we had 383 graphic novel titles in our collection. Today, we have 495 and this number is continuing to grow. Again, thank you for supporting this project and continuing the reading journey for many of our students.

Written by Emily Kulas

\$2,287 - Jeff Bakke, Red River High

For his "Disc Golf Course" grant. These funds will be used to purchase a portable, complete disc golf set to be used by Red River physical education classes. Disc golf is a fast growing sport with lifelong health benefits.
