IV. HEARING OF PUBLIC

Bylaw #0167 reads . . . “Any individual deciding to speak shall state their name and address. All comments will be directed to the Chair. Speakers shall be limited to one (1) turn of five (5) minutes with a total public participation not exceeding 60 minutes.”

V. STATEMENT TO THE PUBLIC

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases a unanimous vote. Almost without exception, before a matter is placed on the agenda at a public meeting the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate committee. The members of the Board committee work with Administration and the Superintendent to assure that the members fully understand the matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then is it placed on the agenda for action at a public meeting. In rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.
