

Sanger ISD
Grades 6, 7, & 10 Sensitive Lessons
ESTEEM Resources

Dear Sanger ISD Families,

The Texas Essential Knowledge Skills (TEKS) for Health requires the teaching of sensitive topics related to human sexuality, child abuse, family violence, teen dating violence, and sex trafficking.

We will be using ESTEEM for our curriculum this year as we cover the required topics as it will take students on a journey that will help them develop life skills needed to become successful, healthy adults.

February 6-February 20, 2024

Texas state law requires you to give written permission for your student to participate in lessons involving human sexuality, child abuse, family violence, teen dating violence, and sex trafficking. **The permission form you will receive must be signed and returned to your school in order for your student to participate in these lessons. If you do not give permission, your child will not be able to participate.**

Parents may preview the materials at the [ESTEEM Website](#). This site only contains the first pages of each book. Parents may also request to preview the materials by filling out the [Request to View Secondary ESTEEM Materials](#). Once you fill out the form, someone will send you information on the grade level material you are requesting.

In Partnership,

Jennie Flaa
Assistant Superintendent
Sanger ISD
