

A Night for the Blue & White Gala Donation Information

On November 10, 2023, approximately 150 guests will gather at the Lancaster Country Club to experience a fun and memorable evening filled with food, silent auction, raffle, dancing, and an opportunity to hear from several of our current students. All proceeds raised will support the tuition assistance program. Linden Hall fosters curious and independent leaders who are prepared to contribute as compassionate global citizens.

The biggest part of the evening is our Auction and Raffle. We would love to include a donation from your business as one of our auction items. Your business name will be included in our program book. We hope you are able to consider this request. We are a 501c (3) organization. Our tax ID # is 23-1352656.

275 Years of Excellence in Educating Girls:

Founded in 1746, Linden Hall is the oldest independent boarding and day school for girls in continuous operation in the United States. With a diverse student body representing 24 countries and 14 states, Linden Hall nurtures curious and creative thinkers, fosters leadership, and empowers girls to excel. They graduate well-prepared for their chosen colleges and for the lives and careers that await them.

Our Promise:

As an academically rigorous community where girls are valued and known, we promise to provide an environment that fosters curious and independent leaders who are prepared to contribute as compassionate global citizens.

Community Values of Linden Hall:

Scholarly Achievement
Character Development
