

**Change in Goals  
in the  
SMFCSD 2021-24 LCAP**

# Local Control Accountability Plan 2021-24

The LCAP is a 3-year District Improvement plan, which describes SMFCSD's plan to

- Support academic and social emotional needs of all students
- Target student groups, specifically lower-income students, English Learners, foster and homeless youth, students with IEPs
- Invest in schools with high percentage of these “targeted” student groups

# LCAP Year 1: 2021-22

The 2021-22 LCAP organized its improvement actions in 6 Goals:

1. Basic Services
2. Academic Acceleration
3. Mental/Social-Emotional/Physical Wellness
4. Family Engagement and Support
5. Students with Disabilities
6. English Learners.

# LCAP Year 1: 2021-22

During the 2021-22 school year, SMFCSD's new superintendent led Educational Partners to write a new [2022-27 Strategic Plan](#)

Consensus emerged on 2 important ideas that ultimately impacted the LCAP:

- SMFCSD needed to **streamline and simplify** its strategic work to build shared understanding with partners and consistent implementation.
- Actions targeting the significant gaps in student access and performance needed to be **consolidated in a single Equity goal**, again to build shared understanding and consistent implementation.

# SMFCSD 2022-27 Strategic Plan

The Strategic Plan is organized around 3 Goals:

- **Goal 1—Achievement:** Create learning opportunities for ALL Pre-K through 8th students resulting in closing the achievement gap and culminating in personal and academic success in high school and beyond.
- **Goal 2—Equity:** Reduce inequitable outcomes for ALL students and staff by prioritizing equity, access, & inclusion.
- **Goal 3—Wellness:** Provide a safe, caring, nurturing, and culturally responsive environment for ALL students to meet the needs of the whole child.
