Dr. Lamont A. Jackson Superintendent San Diego Unified School District 4100 Normal Street San Diego, CA 92103

Dear Dr. Jackson:

We have received the San Diego Unified School District's Disclosure of Collective Bargaining Agreement, which is required as part of AB 1200 (Statutes of 1991, Chapter 1213) and Government Code 3547.5. The agreement is for the San Diego Education Association (SDEA), and the terms of the salary increase are extended to all of the district's bargaining units based on equity clauses contained in each respective agreement. The agreements are scheduled to be acted upon by the governing board at its meeting on July 26, 2022.

Based on the agreements with all bargaining units, all salaried employees will receive a one-time, offschedule bonus of 4.5% of the employee's annual base salary in effect on September 30, 2022. The bonus will be paid in ten equal installments from September 2022 through June 2023.

In addition, the agreement with SDEA offers a \$10,000 incentive for unit members who transfer from a general education assignment to a special education assignment between May 1, 2022 and November 30, 2022. All new unit members hired in to special education or school nursing assignments for the 2022-23 school year will also receive a \$10,000 incentive. The incentives will be paid in 20 monthly payments ending September 2024.

The district estimates the total cost of salaries and statutory benefits for these agreements to be \$63 million in fiscal year 2022-23 and \$2 million in 2023-24. The district plans to use federal ESSER II and ESSER III funding for these costs, which are included in the district's 2022-23 adopted budget. We recommend reviewing the planned expenditures from ESSER sources with the external auditors.

The district superintendent and chief business official have certified that the cost of the collective bargaining agreement can be met during the term of the agreement. Furthermore, Education Code Section 42142 requires school districts to incorporate necessary budget revisions in the current year

Dr. Lamont A. Jackson Superintendent San Diego Unified School District 4100 Normal Street San Diego, CA 92103

Dear Dr. Jackson:

We have received the San Diego Unified School District's Disclosure of Collective Bargaining Agreement, which is required as part of AB 1200 (Statutes of 1991, Chapter 1213) and Government Code 3547.5. The disclosure is for the Administrators Association San Diego City Schools (AASD) bargaining unit and is scheduled to be acted upon by the governing board at its meeting on September 13, 2022.

Memorandum of Understanding (MOU) with AASD regarding Principal Coaching Stipends dated August 25, 2022

This MOU establishes two coaching opportunities and stipends in lieu of the Principal Coaching Stipend outlined in Section 9, Appendix C of the existing collective bargaining agreement. The new coaching stipends are as follows:

- New Principal Coaching Stipend of \$1,250 per semester
 - Site principals appointed as New Principal Coaches will receive a stipend for assisting and coaching one new principal while continuing to manage a school site
- Area Leadership Coach Stipend of \$3,000 per semester
 - Experienced principals appointed as Area Leadership Coaches will receive a stipend for supporting up to six leaders at elementary school sites in their area

This MOU is non-precedent setting and expires at the end of the 2022-23 school year. The total estimated increase in salaries and statutory benefits for this agreement is \$226,000, which will be paid from Title II funding. The district has already incorporated these costs in the current operating budget, so no budget revision will be necessary for this MOU.

Dr. Lamont Jackson, Superintendent September 13, 2022 Page 2 of 2

Pursuant to Government Code Section 3547.5, the district superintendent and chief business official have certified that the cost of the collective bargaining agreement can be met during the term of the agreement.

J. CERTIFICATION OF THE DISTRICT'S ABILITY TO MEET THE COSTS OF THE COLLECTIVE BARGAINING AGREEMENT

This certification page must be signed by the district's Superintendent and Chief Business Official at the time of public disclosure and is intended to assist the district's Governing Board in determining whether the district can meet the costs incurred under the tentative Collective Bargaining Agreement in the current and subsequent years. The absence of a certification signature or if "I am unable to certify" is checked should serve as a "red flag" to the district's Governing Board.

June 20, 2023

Lamont A. Jackson, Ph.D. Superintendent San Diego Unified School District 4100 Normal Street San Diego, CA 92103

Dear Dr. Jackson:

We have received the San Diego Unified School District's Disclosure of Collective Bargaining Agreement, which is required as part of AB 1200 (Statutes of 1991, Chapter 1213) and Government Code 3547.5. The agreement is for the San Diego Education Association (SDEA), and the terms of the salary increase are extended to all of the district's bargaining units based on equity clauses contained in each respective agreement. The SDEA agreement is scheduled to be acted upon by the governing board at its meeting on June 20, 2023.

The new collective bargaining agreement with SDEA is effective from July 1, 2022 through June 30, 2025 and makes changes to several articles and appendices, and incorporates previously approved side letters and memoranda of understanding.

The negotiated salary increases extended to all employee groups based on equity clauses are as follows:

- 10% salary schedule increase, retroactive to July 1, 2022
- 5% salary schedule increase, effective July 1, 2023

The district has prepared a disclosure for the costs associated with the SDEA bargaining agreement, as well as salary increases for the remaining employee groups. The district estimates total costs for all employees as follows:

Fund	2022-23	2023-24	2024-25
Unrestricted General Fund	\$ 74,558,851	\$162,346,743	\$162,346,743
Restricted General Fund	48,775,433	34,447,946	34,447,946
Adult Education Fund	122,586	190,241	190,241
Child Development Fund	322,059	499,876	499,876
Cafeteria Fund	3,367,397	5,244,756	5,244,756
Other Enterprise Fund	295,534	458,083	458,083
Capital Project Funds (21, 25, 40)	3,084,823	4,783,854	4,783,854
Totals	\$130,526,683	\$207,971,499	\$207,971,499

Lamont Jackson, Ph.D., Superintendent June 20, 2023 Page 2 of 2

The district has incorporated the above costs in the 2023-24 Adopted Budget, which will be presented to the board for public hearing on June 20, 2023, and for action on June 27, 2023. If this agreement is approved, the district will immediately begin deficit spending in fiscal year 2023-24. Based on the current budget assumptions, <u>the district will need to make budget reductions of approximately \$129</u> million by fiscal year 2024-25 and an additional \$53 million in 2025-26 in order to remain fiscally solvent and meet the required minimum reserve. These reductions represent approximately 7% and 9%, respectively, of the district's General Fund operating budget. Continued deficit spending will erode the ending fund balance and will minimize the district's ability to address unforeseen circumstances. We encourage the district to identify and implement ongoing expenditure reductions to eliminate the structural deficit and sustain long-term fiscal solvency.

In accordance with Government Code 3547.5(b), the district superintendent and chief business official have certified that the cost of the collective bargaining agreement can be met during the term of the agreement, including the estimated amount of budget reductions necessary in future years. <u>The First</u> <u>Interim Report must include a board approved plan to maintain required reserve levels in fiscal year</u> <u>2024-25.</u>

This letter can be found on our website at: <u>https://www.sdcoe.net/administrative-services/business-services/district-financial-services/business-advisory-services</u>.

Sincerely,

2
