

# MY PLANT JOURNAL

Name: \_\_\_\_\_

# A plant is . . .

A tree is a plant because  
it has leaves, roots, stems  
and is green.

# From the Book

Plants need

rain.

Plants grow

flowers.

# The Life Cycle of Plants

seed

sprout

seedling

plant

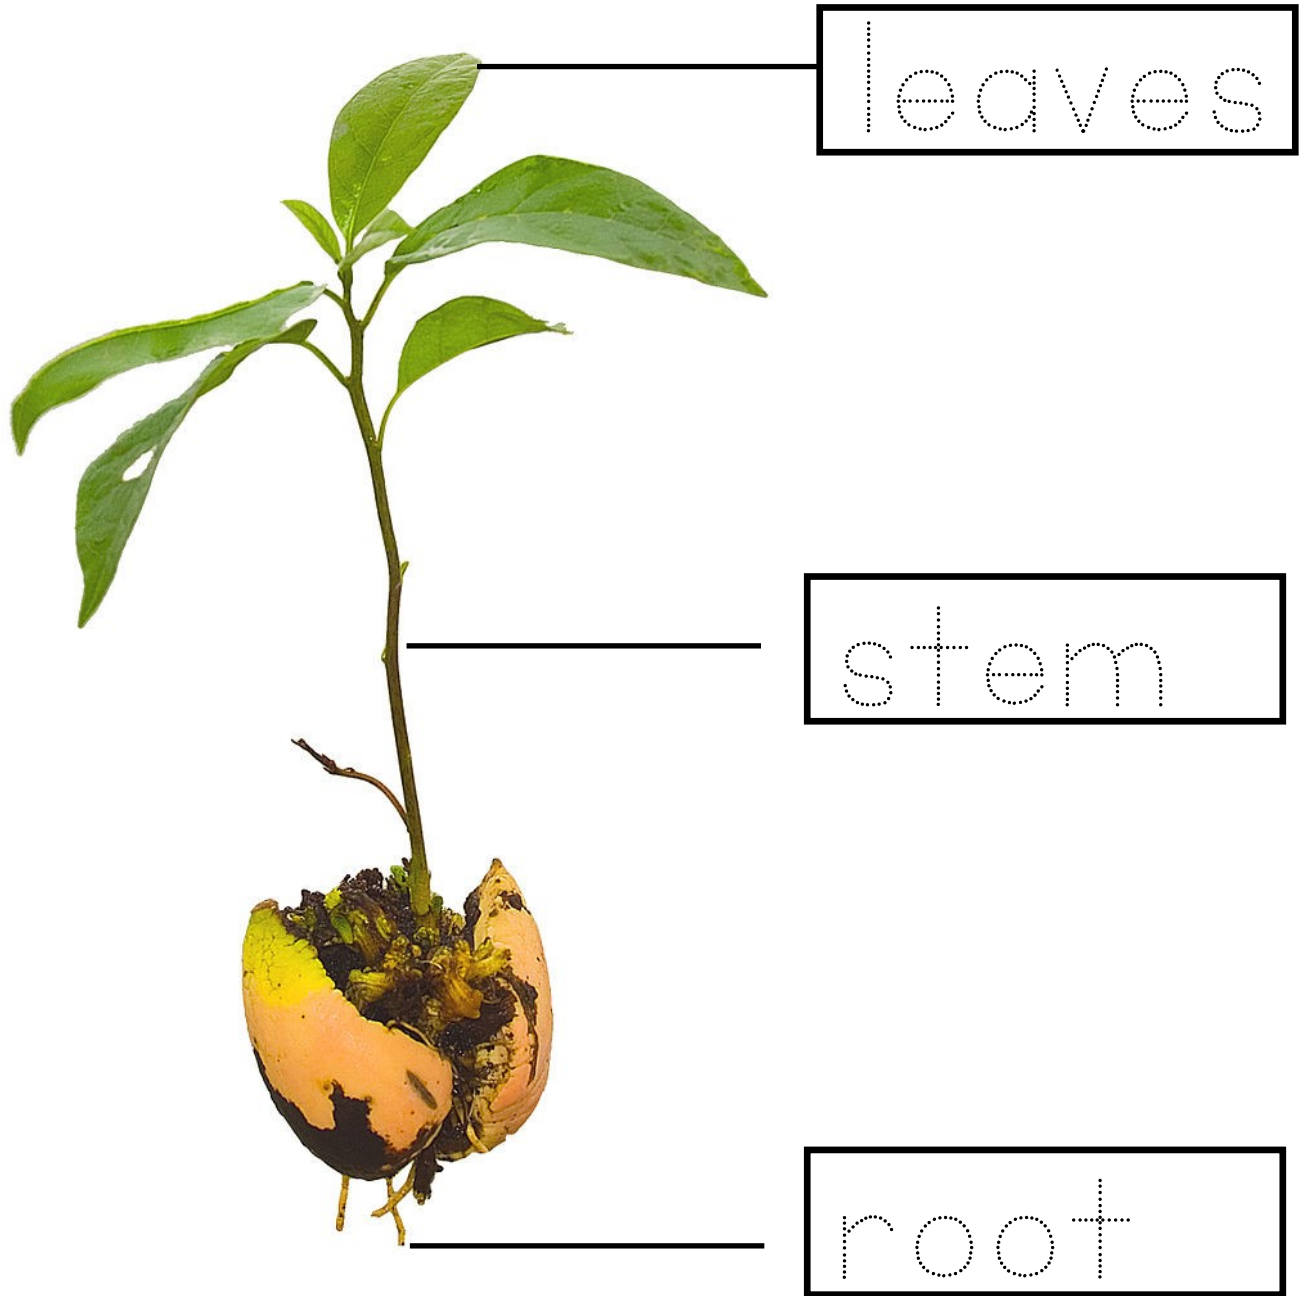

# My Seed Observations

<b>DAY 1</b>	seed sprout seedling plant
<b>DAY 2</b>	seed sprout seedling plant
<b>DAY 3</b>	seed sprout seedling plant
<b>DAY 4</b>	seed sprout seedling plant
<b>DAY 5</b>	seed sprout seedling plant

# My Seed Observations

<b>DAY 6</b>	seed sprout seedling plant
<b>DAY 7</b>	seed sprout seedling plant
<b>DAY 8</b>	seed sprout seedling plant
<b>DAY 9</b>	seed sprout seedling plant
<b>DAY 10</b>	seed sprout seedling plant

# Parts of a Plant
