

Pledge of Academic Integrity: Students

As a student of Juan Diego Academy, I promise to my fellow students, teachers, and administrators that I will uphold the academic integrity of our school community to advance authentic learning. I will not lie, cheat, plagiarize, or disparage this school or be complicit with those who do so. I will abide by the policies and procedures of this school in accord with the philosophy and standards of a Catholic education. I will encourage my fellow brothers and sisters to do the same, that we may be a true Christian learning community.
