

The timetable below is an example of a typical week for our **U3/Year 7** students.

School starts (8.30am) and ends (4.10pm) with Tutor Time and Registration. Tutor time is a chance for every girl to gather with her Tutor Group and hear school notices and reminders. Lessons start slightly later on a Monday to allow for an extended Whole School Assembly which includes a review of the previous week in reports often made by the girls themselves, and a celebration of all the girls' achievements.
