Each Standards Mastery Assessment Has Approx. 5 Questions

If you choose to use the format of a Pre-Test and a Post-Test:

We suggest using Form A for both the Pre-Test and Post-Test the first time the Standard Appears in the Curriculum.
As the Standard Spirals back into the curriculum, we suggest using Form B for the Pre-Test and Post-Test if you choose to reassess that particular standard.

When you assign a Standard's Mastery Assessment it is advised that you chose a specific name for the assesment (ie. 8.16.18 Pretest for RL.2.2)
Leaving the default name for the assessment will cause the pre or post test results to be replaced by the most recent assessment.

Each Standards Mastery Assessment Has Approx. 5 Questions

If you choose to use the format of a Pre-Test and a Post-Test:

We suggest using Form A for both the Pre-Test and Post-Test the first time the Standard Appears in the Curriculum.

As the Standard Spirals back into the curriculum, we suggest using Form B for the Pre-Test and Post-Test if you choose to reassess that particular standard.

When you assign a Standard's Mastery Assessment it is advised that you chose a specific name for the assesment (ie. 8.16.18 Pretest for RL.2.2)
Leaving the default name for the assessment will cause the pre or post test results to be replaced by the most recent assessment.
