Monitor Instruction

Students are working on the online lessons automatically assigned to them based on their Diagnostic performance. Monitor students' progress to inform how to support their learning.

View Class Progress

Adjust Instruction

After monitoring instruction, if you identify a student not working on the lessons most appropriate for them, you can adjust their lesson placement and/or the domains they are working on.

Turn Domains On/Off   Adjust Lesson Placement

Preview or Assign Online Lessons

Students will be automatically assigned a subset of i-Ready lessons based on their Diagnostic performance. You may preview all the lessons or assign some as supplementary lessons to address specific skills.
