REVEREND BROWN SCHOOL

Assignment for Students Entering Third Grade 2023

Students entering **third grade** in September are required to read two books over the summer and complete two activities relating to each book. All students must read Judy Moody (Was in a Mood) by Megan McDonald and **complete** the movie poster relating to the novel. All students will then read one fiction book of their choice, and complete a small assignment. Both portions will count as project grades. Please see below for the details regarding each book report. If you are looking for book suggestions, you can go to scholastic.com and look at age or grade ranges. Another good website is the American Library Association <https://ala.org>. The Sparta library and the Sussex County library system are also good resources for book suggestions.
