Core Academics

GPA provides opportunities for students to participate in challenging learning experiences inside and outside of the classroom. GPA's multi-tiered programs for grades 9-12 are based on college preparatory expectations, which meet California Content Standards, CSU/UC eligibility, and/or International Baccalaureate (IB) course standards. Additional value is added through opportunities provided in programs such as:

- International Baccalaureate Diploma Programme (IBDP)
- International Baccalaureate Career-related Programme (IBCP)
- College courses
- Course plans aligned to meet admissions requirements (A-G) of the University of California and California State University
- Career counseling and preparation
- College preparation counseling

COVID-19 IMPACTS ON GUAJOME

School Operations - In March 2020, Guajome Park Academy moved to a distance learning model due to the COVID-19 pandemic. GPA has maintained a traditional grading system and students earned letter grades on their report cards. In July 2021, CA Legislation AB 104 was provided for students requesting Pass/No Pass for the 2020-2021 school year. GPA continued with full distance learning with its traditional grading system. GPA returned to in-person instruction beginning August 2021, with no option available for distance learning.

Student Life - No athletic teams met or competed between March 2020 - June 2021. A limited number of school clubs met virtually. All regular school activities and athletic teams resumed beginning in August 2021.

Standardized Testing - No SBAC testing in 2020 and 2021.
