After listening to the read aloud, ask your child who the characters were and what happened at the beginning, middle, and end of the story. Then, ask them to illustrate their favorite part of the story and describe their drawing to you.

Alphabet Songs

After listening to the two songs on video, continue practicing:

Say the Alphabet

Clap the Alphabet

Whisper the Alphabet

Jump the Alphabet

After listening to the read aloud, have a taste test. Provide several different foods for your child to explore. Have your child describe how each food looks, smells, feels, and tastes?

Parts of A Story

Each time you read a story, ask your child to retell the story to you.

This is a song about the parts of a story:

Challenge: Read your child's favorite story and have him/her draw a picture about the beginning of the story, then describe what they have drawn when they are finished.

Counting Objects

Help your family set the table for lunch or dinner. How many plates do you need? How many forks? Spoons? Napkins? Cups? Then count how many objects you have all together.

Playdough Names

Help your child make their name using playdough. Also practice making snakes, balls, and pancakes to strengthen muscles in their hands for writing, cutting, and other fine motor tasks.
