\_\_\_\_\_  
Parent/Guardian Signature Date

Students enrolled in public schools in Massachusetts have a Massachusetts Comprehensive Assessment System (MCAS) requirement for graduation. If your son/daughter is transferring into Dover-Sherborn Regional High School and has not successfully completed the MCAS test, you must make arrangements with his/her guidance counselor to take the test (If the student is a junior or senior, he/she can take the exam with the juniors retaking the test during the winter or with the first time sophomores in the spring.) If the student has taken and passed the MCAS in another Massachusetts school system, it is your obligation to have the guidance department of that school forward the appropriate information to our guidance department on a timely basis.
