

August 2023

Welcome to Third Grade!

I hope you all had a wonderful summer and are ready to share some great stories of things that you did! My name is Mrs. Walsh and I will be your third grade teacher. Before our first day together I would love to tell you a little about me... This is my fourth year here at Ox Ridge teaching 3rd grade. I love spending the summer at the beach with my husband and son while also playing fetch with my dog Wilbur. I am happy to be back this year after having my son Zachary in March. I can't wait to learn all about you and have some fun in third grade (it really is the best year yet!)

If you ordered your school supplies, they will be waiting for you at your desk! If not, please bring in the supplies listed under third grade. **Be sure to label with your name or initials out of the packaging.** **There are a few items that were not included on the original supply list- so even if you did order your supplies, please bring those items in on the first day.**

I am so excited to get to know each and every one of you and create some amazing lifelong third grade memories! Enjoy the last few days of summer... I can't wait to meet you soon!

Your teacher,
Mrs. Walsh
