**CALENDAR MONTH**

Tuition is charged on a monthly basis and payment of fees is **due by the fifth of each month**. Tuition is paid upon enrollment and not refundable upon withdrawal. A prorated fee of your daily rate will take place each month for the days we are opened or not opened. The tuition that is quoted is based on a **twenty-working day calendar month**. When we are closed, your monthly tuition will be less for that month, if the closing day lands on the day your child is scheduled to come.

If there are over twenty days in one calendar month and your child is scheduled to come in on the extra days, you will be charged your daily rate for the extra day or days.

Tuition is to be paid in full each month, and the amount billed is not dependent on the child's attendance record.
