

Welcome to Second Grade!

Dear Parents,

Welcome to second grade! We look forward to an interesting and enjoyable learning experience for you and your child for the 2023-2024 school year. Please label your child's belongings.

Here is a list of supplies we will be using in the classroom:

- ✓ (2) 1 subject spiral notebooks**
- ✓ (2) pocket folders**
- ✓ (1) box of crayons**
- ✓ (1) box of colored pencils**
- ✓ (2) small glue sticks (not liquid glue)**
- ✓ (2) boxes of #2 pencils and a hand sharpener**
- ✓ (2) erasers**
- ✓ (1) pair of scissors**
- ✓ (1) pencil bag**
- ✓ dry erase markers**
- ✓ headphones or earbuds and a mouse**
- ✓ personal pack of tissues**

Some items may need to be replenished throughout the school year. This year, we are also suggesting for students to create a Math bin to keep at home to assist with Math instruction and homework. These supplies can be things gathered from around the home. Suggested supplies include: A deck of cards, 12 inch ruler, addition and subtraction flashcards, items to use as counters (bingo chips, erasers, blocks, etc.), coins, timer, popsicle sticks, dice. These items should be kept at home.

Thanks! and we are excited to start a new year!
